**CONSTRUCTION**

Sew all rights sides together with ¼” seam allowance. HST refers to half square triangles.

Construct 12 HST in the following ways:

Take your two 11 ¾” squares and place them face to face. These will be used in the 8 HST at once method.

8 at a time Method:
Mark both diagonals, then mark stitching lines on either side of them at a scant ¼”. Sew, press and cut along the pink lines marked in diagram 1. You will make four cuts across the center: vertically, horizontally, and across both diagonals. Press open HST. (see Diagram 1)

**ASSEMBLING THE TOP**

Sew all rights sides together with ¼” seam allowance. Press open.

- Assemble rows 1-3 according to the diagram below:

- Assemble row 4 according to the diagram below:
ASSEMBLY

Sew rights sides together:

• This pillow has an envelope style back.

• On the 20 ½” side of one of the large Fabric B rectangles, press back ½”, then press another 1” and top stitch. Repeat on the other Fabric B rectangle.

• Lay your pillow top right side facing up and layer the back pieces on top, right sides facing down. Make sure the hemmed edges are overlapping each other and match the top and back edges together.

• Pin and sew together.

• Flip right side out, making sure the corners are turned out nicely and stuff with your 20” pillow form.

• Congrats! Time to snuggle up with your new pillow!
