**CUTTING DIRECTIONS**

Seam allowances vary from ½” to ¼” - please refer to directions.

- Cut four (4) strips, each 3¼” wide. Set aside strips.

**Heart Assembly**

- Pin the heart to the back of the linen fabric, carefully center the heart.
- You will sew on the top side of the linen, without the benefit of being able to see the heart so make sure to transfer a sewing guideline in the way you feel most comfortable.
- You will sew ½” away from the edge of the heart.
- To mark sewing line:
  - Place your heart on paper and trace ½” around it with a tracing wheel. Now fold the paper, true the heart shape and cut out.
  - Center your paper heart on fabric heart, and transfer sewing lines with tracing wheel or removable marker.
  - Choose your favorite decorative stitch and stitch around heart.

**CONSTRUCTION**

- Sew all seams on pillow top with ½” seam allowance.
- Sew together your strips at ½” seam allowance. Sew in order: A>B>C>D>E
- Press.
- Now, pinch the heart fabric and pull away from the linen, carefully snip into the center of the linen and trim the linen ¼” away from decorative stitching.
- Gently fray the raw linen edge by rubbing between your fingers.
Sew strips around linen heart center with 1/2” seam allowance.

• Sew strips to the edge of the linen, aligning Fabric E with the edge, and letting Fabric A overhang one end for the first strip.

• For second and third strips, align Fabric A at each corner matching seams with Fabric E. For last strip, align in the same manner, but carefully stop at ½” from edge of strip and linen, backtack. Now take remaining edges of strips overhanging square off first strip, sew to end of fourth strip, and sew to edge in one go.

• At this point add some batting to the back of the pillow top if you’d like.

• Suggested—Quilt on either side of the linen/stripe seams, pivoting at corners. Baste edges together, trim any excess batting off.

• Now take pom-pom trim and baste to the edge of the pillow, starting 2” away from a bottom corner, pivot around corners and overlap the beginning edge slightly, trim.

• Using your zipper foot will be helpful with the trim.

• Prepare envelope pillow back from backing fabric.

• Cut one rectangle 14½” x 10”.

• Cut one rectangle 14½” x 7”.

• On one 14½” side on each piece, hem edge by folding over ½” twice and edge stitching. Stitch back pieces over the top, overlapping so all edges match up, pin.

• Now we will sew all around the edges at a ¼” seam allowance. Use zipper foot.

• Turn pillow right side out and stuff with a 14”x14” pillow form.

• Enjoy!

NOTE: While all possible care has been taken to ensure the accuracy of this pattern, we are not responsible for printing errors or the way in which individual work varies. Please read instructions carefully before starting the construction of this quilt. If desired wash and iron your fabrics before starting to cut.
