* Scrap friendly, check cutting directions for quantities.
** FQ: Fat Quarter piece of fabric

CUTTING DIRECTIONS

¼” seam allowances are included.

Sixty-four (64) 2 ½” squares from fabric A

Fifty (50) 1 ½” squares from fabric B

Seven (7) 1 ½” squares from fabric C

Seven (7) 1 ½” squares from fabric D

One (1) 16 ½” x 14” rectangle from fabric E

One (1) 16 ½” x 7” rectangle from fabric E

CONSTRUCTION

Sew all rights sides together with ¼” seam allowance.

- We will be making 64 little blocks with snowball corners.
- Place the small squares (fabric B, C, D) on the larger squares (fabric A) right sides together, matching the lower right corners.
- Mark the diagonal and sew.
- Trim the seam as shown to a ¼” seam.
- Press the triangle out to form the finished corner.

QUILTING THE TOP

- Cut a piece of batting 17” square and smooth your sewn pillow top over it, pin in place.
- Quilt your pillow top according to your desired quilt motif.
- Trim to 16 ½” square.
**PILLOW ASSEMBLY**

Sew rights sides together:

- Take your fabric E rectangles and on one 16 ½” side each press under ¼” and then again another ½”.
- Edge stitch close to the fold & press to set stitches.
- Now, with right sides together line up the raw 16 ½” edges of the rectangles to the sides of the pillow top. The finished edges of the rectangles will overlap, creating the envelope pillow back.
- Sew around the edge of the pillow at ¼”. Finish the edges with an overcast stitch for reinforcement.
- Turn your pillow inside out, using a chopstick to help you pop out the corners.
- Press.
- Voila! You are ready to stuff with your pillow form!

---

**NOTE:** While all possible care has been taken to ensure the accuracy of this pattern, we are not responsible for printing errors or the way in which individual work varies. Please read instructions carefully before starting the construction of this quilt. If desired, wash and iron your fabrics before starting to cut.
