**ASSEMBLING THE TOP**

Sew all rights sides together with ⅛" seam allowance. Press open.

• Final construction of the table runner should resemble image below.
**BINDING**

*Sew rights sides together:*

- Cut enough strips 1½" wide by the width of the fabric **GRD-89901** to make a final strip 250" long. Start sewing the binding strip in the middle of one of the sides of the quilt, placing the strip right side down and leaving an approximated 5" tail. Sew with ¼" seam allowance (using straight stitch), aligning the strip’s raw edge with the quilt top’s raw edge.

- Stop stitching ¼" before the edge of the quilt ([DIAGRAM B1](#)). Clip the threads. Remove the quilt from under the machine presser foot. Fold the strip in a motion of 45° and upward, pressing with your fingers ([DIAGRAM B2](#)). Hold this fold with your finger, bring the strip down in line with the next edge, making a horizontal fold that aligns with the top edge of the quilt ([DIAGRAM B3](#)). Start sewing at ¼" of the border, stitching all the layers. Do the same in the four corners of the quilt.

**QUILT ASSEMBLY**

*Sew rights sides together:*

- Place **BACKING FABRIC** on a large surface wrong side up. Stretch it with masking tape against that surface.

- Place **BATTING** on top of backing fabric.

- Place **TOP** on top of the batting with right side facing up. Smooth away wrinkles using your hands.

- Pin all layers together and baste with basting thread, using long stitches. You can also use safety pins to join the layers.

- Machine or hand quilt starting at the center and working towards the corners. Remember that quilting motifs are a matter of personal preference. Have fun choosing yours!

- After you finished, trim excess of any fabric or batting, squaring the quilt to proceed to bind it.
