BACKING FABRIC

PE-462 included (suggested)

CUTTING DIRECTIONS

¼" seam allowances are included. WOF means width of fabric.

Two (2) 3½’ x 20½’ from Fabric A
Three (3) 1½’ x 20½’ from Fabric C
Twenty (20) 2¾’ x 2¾’ from Fabric B
Twenty (20) 2¾’ x 2¾’ from Fabric D

CONSTRUCTION

Sew all rights sides together with ¼" seam allowance.

• Place your Twenty (20) 2¾’ x 2¾’ from Fabric B on top of your Twenty (20) 2¾’ x 2¾’ from Fabric D.

• Your going to draw a diagonal line across these pieces then sew at a ¼’ away from the diagonal line. Then sub-cut on the drawn line.

• Once your pieces are cut, press open seams and unfold, your HST square should resemble image below.

• Next your going to sew these forty HST pieces face to face, be sure your triangle points are facing one another, and press. In total you will have twenty rectangular pieces. Use the diagram below as reference.

• Your then going to create two panels each containing ten of your rectangular flying geese pieces.

• Lastly, your going to sew are your pieces side by side for the final look.
CREATING THE BACK PILLOW

- To make an envelope back for your pillow take both 17” x 14” rectangles and fold one 14” side on each rectangle in 1/2” and press and then fold another 1/2” and press.
- Top stitch as close to the edge as possible.
- Place rectangles right side together on top of each other to the front of your pillow and stitch all the way around your pillow at 1/4” seam allowance.
- Clip corners at seam allowance and flip piece to the right side of the fabric.
- Fill pillow with a 17” x 20” pillow form and enjoy!

NOTE: While all possible care has been taken to ensure the accuracy of this pattern, we are not responsible for printing errors or the way in which individual work varies. Please read instructions carefully before starting the construction of this quilt. If desired, wash and iron your fabrics before starting to cut.
