BACKING FABRIC
CAP-P-1005 included (suggested)

CUTTING DIRECTIONS

¼” seam allowances are included. WOF means width of fabric.

- Two (2) 7” x 7” squares of fabric A
- One (1) 7” x 7” square of fabric C
- One (1) 7” x 7” square of fabric B
- One (1) 1½” x 6½” strip of fabric D
- One (1) 11½” x 6½” rectangle of fabric A
- Two (2) 11½” x 6½” rectangles of fabric B

CONSTRUCTION

Sew all rights sides together with ¼” seam allowance.

- Paper piecing is the method that is going to be used to construct the clutch.
- Below is the template for paper piecing.

• First take the 7” x 7” of fabric C and place it face up right over area 1.
• Next take the 7” x 7” of fabric A and place it face to face with fabric C. Use the line between 1 and 2 as a reference to keep fabric A at a ¼” from line.
• Sew directly on line. Open and press.

• Repeat with same instructions as above now using the 7” x 7” square of fabric B and 7” x 7” square of fabric A.

• Next your going to cut around the edges leaving ¼” for sewing.
• Continuing take the 1½’ x 6½’ strip of fabric D and sew side by to either block.

• Then attach the remaining block, finishing your piecing clutch cover.

• Next step would be to sew at a ¼” all around, leave an opening in the lining to be able to flip bag inside out.

• Once everything is sewn, flip bag through the opening, then either hand stitch or sew the opening in the lining.

• This completes the construction of the piecing plaids clutch! Enjoy !!!

• Continuing take the 1½” x 6½” strip of fabric D and sew side by to either block.

• Then attach the remaining block, finishing your piecing clutch cover.

• Next step is to attach the zipper.

• First open zipper then place on the top edge of the pieced clutch cover.

• Sew the 11½’ x 6½’ rectangle of fabric A on the other side of the zipper, as this will be the back piece.

• Once both pieces are sewn onto the zipper fold them face to face, next step is attaching the lining.

• Take the 11½” 6½’ rectangles of fabric B and sew on the inner part of zipper.

• Repeat step with other 11½” 6½’ rectangles of fabric B on other opposite side of zipper.

NOTE: While all possible care has been taken to ensure the accuracy of this pattern, We are not responsible for printing errors or the way in which individual work varies. Please read instructions carefully before starting the construction of this quilt. If desired, wash and iron your fabrics before starting to cut.
