**CONSTRUCTION**

Sew all rights sides together with ¼” seam allowance.

- Start with the construction by assembling Fabric A (Template 1), B (Template 2), C, D, E and F (Template 2).

- Next take Fabric G, H, I and J and assemble them as diagram below.

- Take your batting pieces and lay your front and back clutch on top and quilt as desired. This clutch was quilted with straight lines about ¼” width apart.

- Now take the two pieces, put them right sides together and sew it at an angle, resembling the Template 1 below.
• Next step is to attach the zipper.
• First open zipper then place on the top edge of the pieced clutch cover.

DIAGRAM 4

• Sew the 10" x 7½" rectangle of fabric A on the other side of the zipper, as this will be the back piece.
• Once both pieces are sewn onto the zipper fold them face to face, next step is attaching the lining.
• Take the 10"x 7½" rectangles of fabric desired and sew on the inner part of zipper.
• Repeat step with other 10"x 7½" rectangles of fabric desired on other opposite side of zipper.

DIAGRAM 5

• Next step would be to sew at a ¼" all around, leave an opening in the lining to be able to flip bag inside out.
• Once everything is sewn, flip bag through the opening, then either hand stitch or sew the opening in the lining.
