- And for the bottom part of the pillow, which is in mirrored effect, you will need to pair the pieces in the following order as diagram below:

- Now, take the 22½” x 3½ strip from Fabric C and pair it with the top and bottom pieces.
Creating the Back Pillow

- To make an envelope back for your pillow take both 17" x 16" rectangles and fold one 16" side on each rectangle in 1/2" and press and then fold another 1/2" and press.
- Top stitch as close to the edge as possible.
- Place rectangles right side together on top of each other to the front of your pillow and stitch all the way around your pillow at ¼" seam allowance.
