To create the first Segment of your tablerunner follow the diagram below for instructions:

**Diagram 4**

- To create the first Segment of your tablerunner follow the diagram below for instructions:
  - B-A A-C C-A A-D D-A A-C C-A A-B
  - Row 2

Repeat the same order until you have a row of twenty-eight (28) pieces assembled together.

After you assemble the first row, repeat another row with the same order. That will be your second piece of your tablerunner. (Row 1.1)

To create the second Segment of your tablerunner follow the diagram below for instructions:

**Diagram 5**

- D-A A-C C-A A-B B-A A-C C-A A-D
  - Row 1

Repeat the same order until you have a row of twenty-eight (28) pieces assembled together.

After you assemble the first row, repeat another row with the same order. That will be your second piece of your tablerunner with this order. (Row 2.1)

**Assembling the Top**

- To assemble the tablerunner, start by taking Row 1 and pair it with Row 2 piece.
- Repeat same process for Row 1.1 and Row 2.1
**QUILT ASSEMBLY**

*Sew rights sides together:*

- Once you have the 2 rows assembled, now take the 28 ¼' x 3 ½'' strip from Fabric E and pair it with Row 1/2.
- Then, pair the other side of the strip with Row 11/2.

**BINDING**

*Sew rights sides together:*

- Cut enough strips 1½' wide by the width of the fabric C to make a final strip 176' long. Start sewing the binding strip in the middle of one of the sides of the quilt, placing the strip right side down and leaving an approximated 5'' tail. Sew with ¼' seam allowance (using straight stitch), aligning the strip's raw edge with the quilt top's raw edge.

- Stop stitching ¼' before the edge of the quilt (DIAGRAM B1). Clip the threads. Remove the quilt from under the machine presser foot. Fold the strip in a motion of 45° and upward, pressing with your fingers (DIAGRAM B2). Hold this fold with your finger, bring the strip down in line with the next edge, making a horizontal fold that aligns with the top edge of the quilt (DIAGRAM B3). Start sewing at ¼' of the border, stitching all the layers. Do the same in the four corners of the quilt.

- Stop stitching before you reach the last 5 or 6 inches. Cut the threads and remove the quilt from under the machine presser foot. Lay the loose ends of the binding flat along the quilt edge, folding the ends back on themselves where they meet. Press them together to form a crease. Using this crease as the stitching line, sew the two open ends of the binding with right sides together (you can help yourself marking with a pencil if the crease is difficult to see).

- Trim seam to ¼’ and press open. Complete the sewing. Turn binding to back of the quilt, turn raw edge inside and stitch by hand using blind stitch.
Congratulations & enjoy
