**CUTTING DIRECTIONS**

¼” seam allowances are included.

- Six (6) of Leaf 1 Template from Fabric A
- Six (6) of Leaf 2 Template from Fabric A
- Thirty (30) of Leaf 2 Template from Fabric B
- Four (4) of Handle Template from Fabric B
- Eight (8) of Circle Template from Fabric C

**CONSTRUCTION**

Sew all rights sides together with ¼” seam allowance.

- Start by cutting all Leaf Templates 1 & 2 for Fabrics A, B
- Cut all Fabric C Circle Templates
- Cut Bag Template from Fabric D

- Once you have the Bag Template cut out, you may quilt as desired before you place the Leaf and Circle Templates.

- For the Leaf and Circle Templates you can do a small zig zag stitch on the edges so they won’t fray.

- You can use any desired color thread to create the contrast effect from the Bag Pattern piece.

- Now, take the first Bag Pattern Piece and start marking where your flowers will be placed. See Diagram below as guidance.

- Sew with zig zag stitch.

**DIAGRAM 1**

repeat same process for the back side of the bag
• To create the handles, trace and cut the four (4) Handle Pattern pieces from Fabric B
• Add fusible on one side of one piece.
• Place the two handle pieces right sides together and sew at 1/4” seam allowance.
• Repeat the same process for the other handle pieces.
• Pull right sides of the handles through a safety pin
• Top stitch on each side of strap as close to the edge seam as you can.
• Set aside

• Sew front and back of bag with right sides together at 1/4” seam allowance. Also sew the two lining pieces together but leave a small unsewn portion at the bottom in order to pull right side of the bag through.
• Take the lining pieces and pin right sides together with the Bag Pattern pieces.
• Now you can sew all the way around leaving a unsewn portion in the bottom of the lining of the bag.
• Pull right side of the fabric through the unsewn portion. Hand stitch or machine stitch unsewn portion closed.
• Press and enjoy!!
