Additional Materials:
- Steam-A-Seam 2 Double Stick Fusible Tape
- Dritz Fray Check Liquid
- Plyers
- Metal Rings
- Earring Hooks
- Safety pin
- Thimble

CUTTING DIRECTIONS

¼" seam allowances are included.
WOF means width of fabric.

- Two (2) Template 1 from Fabric A
- Two (2) Template 2 from Fabric B
- Two (2) 1" x 3 ½" from Fabric C

CONSTRUCTION

Sew all rights sides together with ¼" seam allowance.

- If you want to avoid the fabric getting frayed, follow the instructions from the Dritz Fray Check Liquid before starting your project.

- Take one piece of Steam-A-Seam 2 double stick fusible on the wrong side of the fabric A Template 1 piece, then place another piece of Template 1 from Fabric A.

- Press and steam.

- Repeat the same process for the other two pieces from Template 1.

- Now take Template 2 piece from Fabric B and apply the same instructions from previous piece.

- Make sure you cut the Steam-A-Seam piece for the Template 2 pieces a ¼ shorter or a more so you can insert the Faux Leather piece.

- Repeat the same process for the other two pieces from Template 2.

- Now, take the Faux Leather and place it in between the Template 2 pieces.

- Top stitch on the edge to secure it.

- Then start cutting the Faux leather rectangle into small fringes.

- Repeat the same process for the other piece.
• Now, with a water soluble marker or pencil, place a dot on where your metallic rings will be introduced on your Template 2 piece.

• With your thimble for safety, take your safety pin to create the hole thru the fabric.

• Take your metallic ring and introduce it through the hole and close the ring.

• Repeat the same process for the other side and the other earring piece.

• Now, take your Template 1 piece and make a dot with a water soluble marker or pencil, close to the edge making sure its parallel to Template 2 metallic ring placement.

• Before you close your metallic ring, make sure you attach your Template 2 piece.

• Now, To attach the earring hooks, make a hole on your Template 1 piece right on the edge of the top part and introduce a metallic ring.

• Place your earring hook thru the ring and close the ring.

• Repeat the same process for the other earring.

• And Enjoy your fashionable Blossom Spice Earrings!!!
