CONSTRUCTION

Sew all rights sides together with ¼” seam allowance.

Place templates 2 and 3 centered on top of template 1. (templates should be in fabrics A, E and B).

- Topstitch leaving ¼” seam allowance.
- Refer to the diagram for fabric placement.

1/4” seam allowances are included.

WOF means width of fabric.

Cut two (2) template 1 ON FOLD from Fabric A.

Cut one (1) template 3 ON FOLD from Fabric B.

Cut one (2) template 10 from Fabric C.

Cut one (1) template 5 from Fabric D.

Cut one (1) template 2 ON FOLD from Fabric E.

Cut two (2) template 7 from Fabric F.

Cut one (1) template 6 from Fabric G.

Cut two (2) template 9 from Fabric H.

Cut two (2) template 10 from Fabric H.

Once fabrics are sewn together you can unravel the seam allowance fabric using a pin to create a folk texture around the edges.

If you want add tassels at the top and bottom of your pillow. You can create them yourself easily with embroidery thread or find them at any fabric supply store.

If you are adding the tassels remember to attach them at 1/4” from the edges of the front pillow.

Add the rest of the templates to create the florals on top of template 3.

Use steam a seam stick fusible to add stability to the small templates. It will also help you place them properly on top of the pillow.

Remember to use your own creativity to create the design on top of the pillow! If you want, add more leaf templates or flowers to decorate it. We would love to see your creation!
• Follow the diagram to create your pillow front using all the templates.

• Once you place the templates as you desire, give them a top stitch around the edges to hold them in place. It would be nice to use contrasting color threads to add dimension to the design.

**FINAL ASSEMBLY**

*Sew rights sides together:*

• Place BACKING FABRIC (template 1) wrong side up.
• Pin both layers together and stitch at a 1/4” seam allowance.
• Leave a 3” opening to fill your pillow with foam.
• Hand stitch the opening and your pillow should be ready, enjoy!
