Additional Materials:
- Steam-A-Seam 2 Double Stick Fusible Tape
- Dritz Fray Check Liquid
- Plyers
- Metal Rings
- Earring Hooks/ Earring hooks
- Safety pin
- Thimble
- Kraft paper fabric (black)

CONSTRUCTION

Sew all rights sides together with ¼” seam allowance.

- Take Template 1 Kraftex and apply double fusible tape on one side.
- Press and Steam
- Remove the paper, place an Fabric A Template 1 piece wrong side facing down
- Press and Steam.
- Repeat same process for the other side and for your second earring piece.

CUTTING DIRECTIONS

¼” seam allowances are included.
WOF means width of fabric.

- Four (4) Template 1 from fabric A
- Two (2) Template 1 from Kraftex fabric
- Eight (8) Template 2 from fabric B
- Four (4) Template 2 from Kraftex fabric
• Take Template 2 Kraftex and apply double fusible tape on one side.
• Press and Steam
• Remove the paper, place an Fabric B Template 2 piece wrong side facing down
• Press and Steam.
• Repeat same process for the other side and for your second piece and for the two pieces of your other earring.

= 4

• Now, Take Fabric A pieces and place a mark with your erasable pen on the bottom of each side, close to the edge.
• Take your safety pin and insert it through
• With the plyer, insert a metal ring, leaving it open
• Repeat the same process for the other Fabric A piece.

• Now, Take Fabric B pieces and place a mark with your erasable pen on the top close to the edge.
• Take your safety pin and insert it through
• With the plyer, insert the metal ring from one side of the Fabric A piece.
• With the plyer, close the ring
• To attach the other side piece, repeat the same process as above.
• Also, repeat the same process for the other rearring.
Hook Earring technique:

- For this option, take your fabric A piece and mark with your fabric erasable pen.
- Take your safety pin and push the needle through the marked dot.
- Take your plier and metal ring and insert it.
- Take your earring hook and attach it on the ring.
- Close the metal ring with your plier.
- Repeat the same process for the other earring.

Post Earring technique:

- For this option, take your fabric A piece and mark with your fabric erasable pen where the earring post will be placed.
- Your will want it to be as close to the top edge as possible.
- Take your hot glue silicone and place a small amount on the marked dot.
- Take the earring post and press.
- Set aside to let dry.
- Repeat the same process for the other earring.

NOTE: While all possible care has been taken to ensure the accuracy of this pattern, We are not responsible for printing errors or the way in which individual work varies. Please read instructions carefully before starting the construction of this quilt. If desired, wash and iron your fabrics before starting to cut.
