CUTTING DIRECTIONS

¼" seam allowances are included.
WOF means width of fabric.

One (1) template a from fabrics A and C.
One (1) template b from fabrics B and D

CONSTRUCTION

Sew all rights sides together with ¼" seam allowance.

- Join fabric A to fabric B
- Join fabric C to fabric D
- Join the resulting rectangles.

PILLOW TOP ASSEMBLY

Sew rights sides together:

- Place BACKING FABRIC on a large surface wrong side up. Stretch it with masking tape against that surface.
- Place BATTING on top of backing fabric.
- Place TOP on top of the batting with right side facing up. Smooth away wrinkles using your hands.
- Pin all layers together and baste with basting thread, using long stitches. You can also use safety pins to join the layers.
- Machine or hand quilt starting at the center and working towards the corners. Remember that quilting motifs are a matter of personal preference. Have fun choosing yours!
- After you finished, trim excess of any fabric or batting, squaring the pillow top.
**CREATING THE BACK PILLOW**

- To make a envelope back for your pillow take two (2) 12" x 19" rectangles from fabric C and fold ¼" on one 25" side and press.
- Fold another ½", press, and top-stitch as close to the edge as possible.
- Place rectangles right side together on top of each other to the front of your pillow and stitch all the way around your pillow at ¼" seam allowance.
- Clip corners at seam allowance and flip piece to the right side of the fabric.
- Fill pillow with a 19" x 19" pillow form and enjoy!
