**WALL ART ASSEMBLY**

*Sew all rights sides together with ¼" seam allowance.*

- Once you are done with all the flying geese blocks start attaching them together in the following order to start your wall art assembly.

- Now proceed with the fringes!
- Cut two blocks of 9 x 24" in
- Mark and cut every ¼" or ½" in (whichever you prefer) and refer to the diagram below to cut your fringes. Remember you can trim until your desired length.
- Tip: the roller cutter will definitively make things easier when cutting such short distances!
Sew all rights sides together with ¼" seam allowance.

• We used fabric C as the wall art backing, however you can use whichever fabric you prefer.

• Cut a 30 ½ x 26” in rectangle and attach it to the second template you cut previously and place it on top of the right side of the wall art.

• Pin both layers together and stitch at a ¼” seam allowance.

• Leave a small opening and flip right side out, making sure the corners are turned out nicely.

• You are done! Hang it on the wall using push pins and enjoy it!

FINAL ASSEMBLY

NOTE: While all possible care has been taken to ensure the accuracy of this pattern, We are not responsible for printing errors or the way in which individual work varies. Please read instructions carefully before starting the construction of this quilt. If desired, wash and iron your fabrics before starting to cut.
