OTHER MATERIALS
- batting*
- Interfacing*
- zipper 14"
- bias tape (optional)

*See cutting directions for quantities needed

CUTTING DIRECTIONS

Patterns & Templates are in the back of the Directions and include seam allowance as stated

Fabric A
- One (1) 10" x 14" rectangle

Fabric B
- One (1) 10" x 14" rectangle
- Four (4) "Bottom Edge Pieces"
- One (1) 2" x 16" strip (wrist strap)
- Four (4) "Center Zipper Side Pieces"

Fabric C
- One (1) Glasses Appliqué Template

Fabric D
- One (1) Mustache Appliqué Template
- Two (2) Eyes Appliqué Template

Batting
- One (1) 10" x 14" rectangle

Interfacing
- Two (2) "Bottom Edge Pieces"
- One (1) 2" x 16" strip
- Two (2) "Center Zipper Side Pieces"

CONSTRUCTION

Body
- Take your 10" x 14" pieces and make a quilt sandwich with lining, batting and main fabric on top. Right sides of fabric facing out. Quilt a close cross-hatch pattern, or if you prefer not to quilt then baste the edges together. Trace the ‘Purse Main Body’ pattern onto folded paper and cut out. Place on your quilted fabric and cut out. Mark notches.

- Cut out and prepare appliqué pieces (found in the back of the directions) for face according to manufacturer directions of double sided fusible. Using the placement diagram fuse face in place and edge stitch or blanket stitch.

Make wrist strap
- Fuse interfacing to the wrong side of the 2’ x 16’ strip. Iron the strip in half, then open and fold fabric towards the fold line and press. Fold in half again and top-stitch all around.

Zipper Center
- Fuse interfacing to contrast fabric side pieces, and to the contrast fabric bottom edge pieces.

- Sandwich the zipper between the two contrast fabric side pieces, fabric right sides together and sew. Flip pieces out, finger press and topstitch. Repeat for the other side of the zipper. Trim the zipper to the length of fabric, making sure to tack the bottom closed.

- On the top edge of the zipper, sandwich the zipper section with the fabric bottom edge pieces, lining up the straight edges, fabric right sides together. Sew, flip and finger press and topstitch.

- Fold the wrist strap in half and baste the raw edges to the edge of the bottom of the zipper section. Now sandwich the same way you did for the top end of the zipper section and sew. Trim, flip and top-stitch.

- Trim the sides so they are all the same width if necessary. Mark the centers.
Final Assembly

- Match the lengthwise centers of the zipper section to the center notches at the top curves of the main body piece and pin, right sides together.

- Match the widthwise centers of the zipper section to the center notches (along the pattern fold line) of the main body piece and pin, right sides together.

- Baste the edges at 3/8”, clipping as necessary to fit along the bottom curves. Make sure to not clip into your final seam allowance of 1/2”.

- Sew at 1/2” seam allowance, remove basting stitches and finish edges by either over-locking or encasing in bias tape. (Bias tape length needed will be 70”).

- Enjoy your taco bag! You are done!
