BACKING FABRIC
- Pot holder #1
- Fabric E MED-32606-F
- Fabric D MED-22604 (included)

BINDING FABRIC
- Pot holder #1
- Fabric E FUS-F-1007
- Fabric D MED-22604 (suggested)

CUTTING DIRECTIONS

¼" seam allowances are included. WOF means width of fabric.

- Fabric requirements and cutting directions include all blocks.
  - Cut eight (8) 3 x 5" strips from fabric A
  - Cut eight (8) 3 x 2" strips from fabric B
  - Cut four (4) 4" squares from fabric C
  - Cut four (4) 3 x 4" from fabric C
  - Cut eight (8) 5" squares from fabric D
  - Cut one (1) from templates 1 & 2 from fabric D
  - Cut sixteen (16) 3" squares from fabric E
  - Cut four (4) 4 1/2" squares from fabric F
  - Cut four (4) 5" squares from fabric G
  - Cut eight (8) 3" squares from fabric H

CONSTRUCTION

Sew all rights sides together with ¼" seam allowance.

- Use the paper piecing templates found at the end of these instructions to sew all of the blocks.
- If you are new to paper piecing check out this video tutorial on how to paper piece:
- The block is divided into nine (9) different pieces and two sections.
- Tip: it is better if you do all the paper piecing first and after attach all pieces together.
- Refer to the diagram below for correct fabric attachment.

- **Section 1:**
  - Use fabrics A, B, C, E & F.
  - Create the mirrored version of section 1

- **Section 2:**
  - Use fabrics B, C, D & E.

![Diagram of construction steps]
• Attach to create section 1 to section 2

You are done with your first pot holder!

Follow the same steps to create your second pot holder. Fabrics are included above!

**QUILT ASSEMBLY**

*Sew rights sides together:*

• Place BACKING FABRIC on a large surface wrong-side up. Stretch it with masking tape against that surface.

• Place BATTING on top of backing fabric.

• Place TOP on top of the batting with right side facing up. Smooth away wrinkles using your hands.

• Pin all layers together and baste with basting thread, using long stitches. You can also use safety pins to join the layers. Machine or hand quilt starting at the center and working towards the corners. Remember that quilting motifs are a matter of personal preference. Have fun choosing yours!

**BINDING**

• Cut 2 strips from fabric D & E 1½” wide by the width of the fabric to make a final strip of 42” in (fabric E for pot holder #1) and a final strip of 50” in (fabric D for pot holder #2) long. Start sewing the binding strip in the middle of one of the sides of the pot holder, placing the strip right side down and leaving an approximated 5” tail. Sew with ¼” seam allowance (using straight stitch), aligning the strip’s raw edge with the quilt top’s raw edge.

• Stop stitching ¼” before the edge of the pot holder (DIAGRAM B1). Clip the threads. Remove the quilt from under the machine presser foot. Fold the strip in a motion of 45° and upward, pressing with your fingers (DIAGRAM B2). Hold this fold with your finger, bring the strip down in line with the next edge, making a horizontal fold that aligns with the top edge of the pot holder (DIAGRAM B3). Start sewing at ¼” of the border, stitching all the layers. Do the same in the four corners of the pot holder.

• Stop stitching before you reach the last 5 or 6 inches. Cut the threads and remove the pot holder from under the machine presser foot. Lay the loose ends of the binding flat along the edge, folding the ends back on themselves where they meet. Press them together to form a crease. Using this crease as the stitching line, sew the two open ends of the binding with right sides together (you can help yourself marking with a pencil if the crease is difficult to see).

• Trim seam to ¼” and press open. Complete the sewing. Turn binding to back of the pot holder, turn raw edge inside and stitch by hand using blind stitch.
NOTE: While all possible care has been taken to ensure the accuracy of this pattern, we are not responsible for printing errors or the way in which individual work varies. Please read instructions carefully before starting the construction of this quilt. If desired, wash and iron your fabrics before starting to cut.
