DIAGRAM 3

PILLOW ASSEMBLY

Sew rights sides together:
• Place BACKING FABRIC on a large surface wrong side up. Stretch it with masking tape against that surface.
• Place BATTING on top of backing fabric.
• Place TOP on top of the batting with right side facing up. Smooth away wrinkles using your hands.
• Pin all layers together and baste with basting thread, using long stitches. You can also use safety pins to join the layers.
• Machine or hand quilt starting at the center and working towards the corners. Remember that quilting motifs are a matter of personal preference. Have fun choosing yours!
• After you finished, trim excess of any fabric or batting, squaring the pillow.

CREATING THE BACK PILLOW

• To make a envelope back for your pillow take the two (2) 21” x 14” rectangles from fabric C and fold one 14” side on each rectangle in 1/2” and press and then fold another 1/2” and press.
• Topstitch as close to the edge as possible.
• Place rectangles right side together on top of each other to the front of your pillow and stitch all the way around your pillow at ¼” seam allowance.
• Clip corners at seam allowance and flip piece to the right side of the fabric.
• Fill pillow with a 20” x 20” pillow form and enjoy!
