Creating the Back Pillow

To make an envelope back for your pillow take both 20½” x 16” rectangles and fold one 16” side on each rectangle in 1/2” and press and then fold another 1/2” and press.

Top stitch as close to the edge as possible.

Place rectangles right side together on top of each other to the front of your pillow and stitch all the way around your pillow at ¼” seam allowance.

Clip corners at seam allowance and flip piece to the right side of the fabric.

Fill pillow with a 20” x 20’ pillow form and enjoy!
