For fabric B cut:

Ninety-eight (98) diamonds from template "2".

For fabric C cut:

For fabric D cut:

For fabric E cut:

Twelve (12) diamonds from template "1".

For fabric F cut:

Twelve (12) diamonds from template "1".

For fabric G cut:

Fourteen (14) diamonds from template "1".

For fabric H cut:

Seven (7) diamonds from template "1".
Two (2) 44" x 3" strips.
Two (2) 59" x 3" strips.

Quilt Top Assembly:

(sew right sides together)

Fussy cut all the different central diamonds from template "1".

Start assembling the first row: sew one diamond to one fabric A strip as shown in *Diagram 1*. Trim the strip at an angle. Add another diamond, and then another strip in order, trim again, until completing the first row. Put aside. Complete all the rows, paying attention to the color sequence in the *Quilt Diagram*. Press.

To make the sashing rows, rotary-cut fabric A strips on a 60° angle on both extremes. Fussy cut the fabric B diamonds from template "2". Start piecing one strip to one diamond in sequence until you complete the sashing strip as shown on *Diagram 2*.

When you complete all the sashing rows, start sewing each one to each "big diamonds" rows, as shown on *Diagram 3*. When you have the whole top pieced, press the rows in opposite directions and trim the two sides and the top and bottom, being careful not to cut away the 1/4" seam intersections (shown in *Diagram 3*).

To add the borders, sew two 44" x 3" strips from fabric H to the top and the bottom of the quilt top. Then add the two remaining 59" x 3" fabric H strips to the sides (shown in *Diagram 4*). Trim excess. Layer, quilt and bind as desired. ENJOY!
