CONSTRUCTION

Sew all rights sides together with ¼" seam allowance.

- There is one block in ten different combinations that need to be done in order to complete this quilt top.

- Use the following pieces for the construction of combination a:
  Fabric F: (1) 3’ square
  Fabric L: (2) 2’ x 3’ strips, (2) 2’ x 6’ strips, (2) 2’ x 11’ strips, (2) 2’ x 14’ strips
  Fabric G: (2) 3’ x 6’ strips, (2) 3’ x 11’ strips
  Fabric A: (2) 3’ x 14’ strips, (2) 3’ x 19’ strips

- This block is a log cabin block, let’s begin building it by taking the 3’ square from fabric F and attach the 2’ x 3’ strips from fabric L to the top and bottom edges. (Diagram 1)

- Take the 2’ x 6’ strips from fabric L and attach them to the left and right edges.

- Press seams open

- Take the 3’ x 6’ strips from fabric G and attach them to the top and bottom edges.

- Then attach to the right and left side the 3’ x 11’ strips from fabric G (Diagram 3)
• Take the 2” x 11” strips from fabric L and attach them to the top and bottom edges.

• Then attach to the right and left side the 2” x 14” strips from fabric L. (Diagram 4)

• Take the 3” x 14” strips from fabric A and attach them to the top and bottom edges.

• Then attach to the right and left side the 3” x 19” strips from fabric A. (Diagram 5)

• Repeat this block combination one more time in order to end up with two blocks from a combination.

• All the blocks that follow are also log cabin blocks and the use the exact same measurements and construction steps, but there are different fabric combinations.

• Follow the diagrams below for block combinations and block quantities.

ASSEMBLING THE TOP

Sew all rights sides together with ¼” seam allowance. Press open.

- Refer to cover photo for Block placement.
- Make six columns by joining the corresponding squares together. (Diagram 6)
- Sew the columns together according to diagram 7.
- Rotate and mark the square through the diagonals of end blocks. Trim the excess fabric from all the edges.
- You should end up with a 77” x 77” square quilt top.
**BINDING**

*Sew rights sides together.*

- Cut enough strips 1½" wide by the width of the fabric to make a final strip 318" long. Start sewing the binding strip in the middle of one of the sides of the quilt, placing the strip right side down and leaving an approximated 5" tail. Sew with ¼" seam allowance (using straight stitch), aligning the strip’s raw edge with the quilt top’s raw edge.

- Stop stitching ¼" before the edge of the quilt (DIAGRAM B1). Clip the threads. Remove the quilt from under the machine presser foot. Fold the strip in a motion of 45° and upward, pressing with your fingers (DIAGRAM B2). Hold this fold with your finger, bring the strip down in line with the next edge, making a horizontal fold that aligns with the top edge of the quilt (DIAGRAM B3). Start sewing at ¼" of the border, stitching all the layers. Do the same in the four corners of the quilt.

- Stop stitching before you reach the last 5 or 6 inches. Cut the threads and remove the quilt from under the machine presser foot. Lay the loose ends of the binding flat along the quilt edge, folding the ends back on themselves where they meet. Press them together to form a crease. Using this crease as the stitching line, sew the two open ends of the binding with right sides together (you can help yourself marking with a pencil if the crease is difficult to see).

- Trim seam to ¼" and press open. Complete the sewing. Turn binding to back of the quilt, turn raw edge inside and stitch by hand using blind stitch.

**QUILT ASSEMBLY**

*Sew rights sides together.*

- Place BACKING FABRIC on a large surface wrong side up. Stretch it with masking tape against that surface.

- Place BATTING on top of backing fabric.

- Place TOP on top of the batting with right side facing up. Smooth away wrinkles using your hands.

- Pin all layers together and baste with basting thread, using long stitches. You can also use safety pins to join the layers.

- Machine or hand quilt starting at the center and working towards the corners. Remember that quilting motifs are a matter of personal preference. Have fun choosing yours!

- After you finish, trim excess fabric or batting, squaring the quilt to proceed to bind it.
