**QUILT ASSEMBLY**

*Sew rights sides together.*

- Place BACKING FABRIC on a large surface wrong side up. Stretch it with masking tape against that surface.
- Place BATTING on top of backing fabric.
- Place TOP on top of the batting with right side facing up. Smooth away wrinkles using your hands.
- Pin all layers together and baste with basting thread, using long stitches. You can also use safety pins to join the layers.
- Machine or hand quilt starting at the center and working towards the corners. Remember that quilting motifs are a matter of personal preference. Have fun choosing yours!
- After you finished, trim excess of any fabric or batting, squaring the quilt to proceed to bind it.

**BINDING**

*Sew rights sides together.*

- Make the double fold binding which has double thickness.
- Cut enough strips 2¼'' wide by the width of the fabric to make a final strip 348'' long.
- Fold and press the long strip in half lengthwise (on the shorter side), wrong sides together.
- Cut the beginning of the binding strip at a 45° angle. Start sewing the binding strip in the middle of one of the sides of the quilt, leaving approximately 5" long tail loose. Sew with ¼'' seam allowance (using straight stitch), aligning the strip's raw edge with the quilt top's raw edge. Pin in place if needed.
- When your needle is 1/4'' from the corner, turn the quilt and stitch off at a 45° angle and stitch reaching the end of that corner (diagram 1).
- Turn the quilt and fold the strip in a motion of 45° and upward, pressing with your fingers, using the angled stitch as your guide (diagram 2).
- Hold this fold with your finger, bring the strip down in line with the next edge, making a horizontal fold that aligns with the top edge of the quilt (diagram 3).
• Start sewing at ¼" of the border, stitching all the layers. Do the same in the four corners of the quilt.

• When approaching the starting point, stop stitching at least 10" from where you started, leaving another tail, at least 6" long. There will be a gap between the stitched bindings. Unfold the ending binding and align it nicely with the quilt edge. Open the ending strip toward the quilt, right sides together and place the beginning of the binding strip that is cut at 45° inside the open part of the ending binding strip. Using a pencil or a pin, mark the line on the ending binding strip where the begging piece lays (diagram 4).

• Mark another parallel line to the first one, precisely ½ " distant, so that it can be lined and sewn perfectly with the other end, using 1/4 seam allowance. Pin and sew the ends, right sides together (diagram 5).
