BACKING FABRIC
BOU-8040 4 ⅜ yds (suggested)

BINDING FABRIC
BOU-7042 (Fabric B) (included)

CUTTING DIRECTIONS

¼” seam allowances are included. WOF means width of fabric.

- Sixteen (16) 4 ½” x 10 ½” rectangles from Fabric A and K
- Thirty Two (32) 2 ½” x 4 ½” rectangles from Fabric B, C, D and E
- Thirty Two (32) 2 ⅝” x 2 ⅞” squares from Fabric F, G, H and I
- Hundred Twenty Eight (128) 2 ⅞” x 2 ⅞” squares from Fabric J
- Two Hundred Fifty Six (256) 2 ½” x 2 ½” squares from Fabric J
- Sixteen (16) 2½” x 18 ½” strips from Fabric J
- Thirty Two (32) 2 ½” x 4 ½” rectangles from Fabric J

BLOCK CONSTRUCTION

Sew all rights sides together with ¼" seam allowance. HST means Half Square Triangles.

- To create two half square triangles with Fabric G and Fabric J, take 2 ⅝” x 2⅞” squares from both fabrics. (DIAGRAM 1)

- Place on top with right sides together! Draw a diagonal line from one corner to the other. (DIAGRAM 2)

- Sew on each side of the line you drew at 1/4". (DIAGRAM 2)

- Cut on your diagonal line. Press seams open. (DIAGRAM 3)
• You will need a total of 64 HST's from the following Fabrics: G/J , F/J, H/J, and I/J.

• Once your HST's are complete, sew the following rows together: (follow Diagram 4 for fabric placement)

• Row 1: Sew a 2 1/2’ x 2 1/2’ square from Fabric J to a G/J HST.

• Row 2: Sew a G/J HST to a 2 1/2’ x 2 1/2’ square from J.

• Row 3: Sew a 2 1/2’ x 2 1/2’ square from Fabric J to a G/J HST.

• Row 4: Sew a 2 1/2’ x 2 1/2’ square from Fabric J to a G/J HST.

• Row 5: Sew a G/J HST to a 2 1/2’ x 2 1/2’ square from J.

• Row 6: Sew a 2 1/2’ x 2 1/2’ square from Fabric J to a G/J HST.

• Next sew row 1,2 and 3 together. Sew a 2 1/2’ x 4 1/2’ rectangle from Fabric C to the bottom. Follow Diagram 5.

• Now sew row 4,5, and 6 together. Sew a 2 1/2’ x 4 1/2’ rectangle from Fabric C to the top. (Diagram 5)

• Once you have these two pieces created you will need to make the mirror images of these pieces.

• You will have a total of four pieces that look like Diagram 6. Set pieces aside.

• Sew a 2 1/2’ x 2 1/2’ square from Fabric J to a G/J HST. (Diagram 7.1) Next sew a 2 1/2’ x 4 1/2’ rectangle from Fabric C to the piece you created in Diagram 7.1. Follow Diagram 7.2. Repeat steps in Diagram 7.1 and 7.2 making the mirror image of your piece created in Diagram 7.2. You will have two pieces that look like Diagram 8.
• Next sew a 2 1/2” x 4 1/2” rectangle from Fabric J inbetween both pieces made in Diagram 8.

• Sew a 4 1/2” x 10 1/2” rectangle from Fabric A to the bottom of the piece created in Diagram 9. Repeat steps in Diagram 7-10 making the mirror image of Diagram 10. You will have two pieces that look like Diagram 11.

• Take the pieces made in Diagram 6 and in Diagram 11 and layout and sew pieces following Diagram 12.

• To complete your block sew a 2 1/2” x 18 1/2” strip from Fabric J in between the two pieces you made in Diagram 12. (Follow Diagram 13)

• Your finished block should look like Diagram 14. Repeat steps in Diagram 4-14 using the remaining fabric pieces. Follow the quilt illustration as a guide to create your remaining blocks. You should have a total of 4 blocks of block A, B, C, and D. (Diagram 15)
ASSEMBLING THE TOP

Sew all rights sides together with ¼" seam allowance. Press open.

- Once all your blocks are sewn arrange your blocks according to Diagram 16. Sew Row 1 - Row 4 then sew all rows together. Follow quilt illustration as a guide.

**BINDING**

* Sew rights sides together:

- Cut enough strips 1 1/2” wide by the width of the fabric to make a final strip 298” long. Start sewing the binding strip in the middle of one of the sides of the quilt, placing the strip right side down and leaving an approximated 5” tail. Sew with ¼” seam allowance (using straight stitch), aligning the strip’s raw edge with the quilt top’s raw edge.

- Stop stitching ¼” before the edge of the quilt (DIAGRAM B1). Clip the threads. Remove the quilt from under the machine presser foot. Fold the strip in a motion of 45° and upward, pressing with your fingers (DIAGRAM B2). Hold this fold with your finger, bring the strip down in line with the next edge, making a horizontal fold that aligns with the top edge of the quilt (DIAGRAM B3). Start sewing at ¼” of the border, stitching all the layers. Do the same in the four corners of the quilt.

- Stop stitching before you reach the last 5 or 6 inches. Cut the threads and remove the quilt from under the machine presser foot. Lay the loose ends of the binding flat along the quilt edge, folding the ends back on themselves where they meet. Press them together to form a crease. Using this crease as the stitching line, sew the two open ends of the binding with right sides together (you can help yourself marking with a pencil if the crease is difficult to see).

- Trim seam to ¼” and press open. Complete the sewing. Turn binding to back of the quilt, turn raw edge inside and stitch by hand using blind stitch.

**NOTE:** While all possible care has been taken to ensure the accuracy of this pattern, we are not responsible for printing errors or the way in which individual work varies. Please read instructions carefully before starting the construction of this quilt. If desired, wash and iron your fabrics before starting to cut.
