CONSTRUCTION

Sew all rights sides together with 1/4" seam allowance.

- Set aside **P**, **Q**, **R** and **S** squares. Draw a diagonal line on the wrong side of the squares. Place a marked square right sides together on the left side of a 2 1/2" x 4 1/2" rectangle (**A B C D E F H I J K N** and **O**). Stitch on the drawn line. Trim seam allowance to 1/4". Press corner open. In the same manner, sew another square to the remaining corner, trim and press. Make a total of 12 units. (**Diagram 1**)

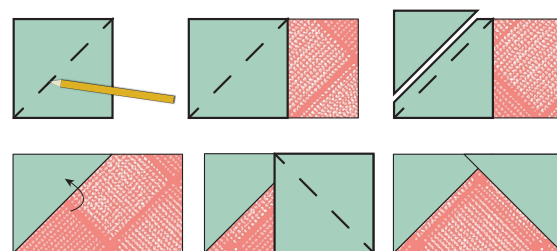

DIAGRAM 1

- There is one block with five different combinations of fabrics that need to be made for the pillow top construction.
- For combination (a) take one strip of **P**, **T**, **S**, **E**, **R** and **L** fabrics and start attaching them in this order: **P T S E R L T E T R T L**
- After all the strips are attached together cut one 6 1/2' square in a 45° angle. (**Diagram 2**)

DIAGRAM 2

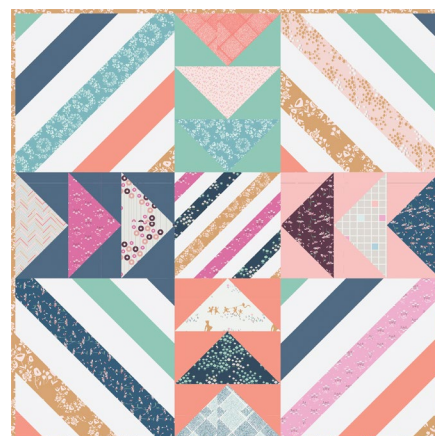

- Repeat the previous steps four times for combinations a, b, c and d until you get a total of four 6 1/2' squares.

- For Combination (e) follow the previous steps but cut the strips with a 4 1/2" square in a 45° angle. (Diagram 3)

DIAGRAM 3

- Follow the order below for the number of blocks and combinations that need to be made for this pillow top.
 - Com b: **STPTMTLT** and **R**.
 - Com c: **STPTBTLT** and **R**.
 - Com d: **PTSTGTRT** and **L**.
 - Com e: **TNTFTLTNTFT** and **L**.
- Follow the Diagram 4 as a reference for block placement.

ASSEMBLY

Sew rights sides together.

- These pillows have an envelope style back.
- Lay your pillow top right side facing up and layer the back pieces on top, right sides facing down. Make sure the hemmed edges are overlapping each other and match the top and back edges together.
- Pin and sew together at 1/2" seam allowance.
- Flip right side out, making sure the corners are turned out nicely and stuff with your 16" pillow forms.
- Congrats! Time to snuggle up with your new pillows!
