<td>⅔ yd.</td>
</tr>
</tbody>
</table>

**BACKING FABRIC**

PND-10130 5 yds. *Suggested*

**BINDING FABRIC**

PND-20129 (Fabric H) ½ yd.

**CONSTRUCTION**

Sew all rights sides together with ¼” seam allowance.

**Method for Making Flying Geese Units**

This method for making flying geese preserves the direction of the fabric, which is very important for this design. Save the fabric cut off for future projects such as coordinating pillows.

This method uses a rectangle for the center, and two squares for the side triangles. The squares are about half the size of the rectangle. Make all flying geese in this method. (Diagram 1)

1. Mark the diagonals on the squares, each in a different direction.
2. Place square on left side of rectangle, lining up edges. Pin on line and flip up the fabric to check that the direction is correct. We don’t want any upside down pandas.
3. Sew on the marked line.
4. Cut off the top triangle of excess fabric, as shown, at a ¼” from stitching.
5. Fold back and press.
6. Repeat steps 2 & 3 with remaining square, the square should overlap the sewn edge slightly.
7. Cut off excess.
8. Press your flying geese unit.
Fabric A & G Flying Geese (x10)

- Follow steps 1-8 to make ten (10) geese. Use:
  Ten (10) 4 ½ x 8 ½ rectangles (Fabric G) and Twenty (20) 4 ½” squares (Fabric A)

Fabric A & E Flying Geese (x12)

- Follow steps 1-8 to make twelve (12) geese. Use:
  Twelve (12) 4 ½ x 8 ½ rectangles (Fabric E) and Twenty-four (24) 4 ½” squares (Fabric A)

Fabric A & F Flying Geese (x2)

- Follow steps 1-8 to make two (2) geese. Use:
  Two (2) 8 ½ x 16 ½ rectangles (Fabric F) and Four (4) 8 ½” squares (Fabric A)

Fabric A & D Flying Geese (x2)

- Follow steps 1-8 to make two (2) geese. Use:
  Two (2) 8 ½ x 16 ½ rectangles (Fabric D) and Four (4) 8 ½” squares (Fabric A)

Fabric C & D Flying Geese (x4)

- Follow steps 1-8 to make four (4) geese. Use:
  Four (4) 8 ½ x 16 ½ rectangles (Fabric D) and Eight (8) 8 ½” squares (Fabric C)

Fabric C & A Flying Geese (x2)

- Follow steps 1-8 to make two (2) geese. Use:
  Two (2) 8 ½ x 16 ½ rectangles (Fabric A) and Four (4) 8 ½” squares (Fabric C)

Fabric A & C Flying Geese (x7)

- Follow steps 1-8 to make seven (7) geese. Use:
  Seven (7) 8 ½ x 16 ½ rectangles (Fabric C) and Fourteen (14) 8 ½” squares (Fabric A)

Flying Geese Block from Pattern (x2)

- Pin Fabric C triangle (Pattern B) to the left bottom edge of Fabric D diamond (Pattern A). Match the top corner. There will be overhang on the bottom. Double-check that the pandas are in the right direction. Sew the bottom edge. Repeat for the other side. (Diagram 2)

Making Blocks

Block A & B

- Sew the following together (from top to bottom): Fabrics G/A sm. goose > Fabrics E/A sm. goose > Fabrics E/A sm. goose > 4 ½ x 8 ½ rectangle Fabric A. Make three (3) sets.

- Sew 4 ½ x 8 ½ rectangles in Fabrics A & B on either side according to the diagram.
Block C & D
- Sew the following together (from top to bottom):
  Fabrics E/A sm. goose > Fabrics G/A sm. goose >
  4 ½ x 8 ½ rectangle Fabric A > Fabrics G/A sm.
  goose. Make three (3) sets.
- Sew 4 ½ x 8 ½ rectangles in Fabrics A & B on
  either side according to the diagram.

![Block C](image1)
![Block D](image2)

Block E
- Sew the following together (from top to bottom):
  Fabrics D/A lg. goose > Fabrics F/A lg. goose
  (Make two)

![Block E](image3)
![Block F](image4)

Block F
- Sew the following together (from top to bottom):
  Fabrics D/C lg. goose > Fabrics D/A lg. goose
  (Make two)

![Block G](image5)
![Block H](image6)

Block G
- Sew the following together (from top to bottom):
  Fabrics E/A sm. goose > Fabrics G/A sm.
  goose. Sew (fabric A) 4 ½ x 8 ½ rectangles on either side of
  the geese piece. Then sew above of Fabric C/A lg. goose
  (see diagram 7) (Make one)

![Block I](image7)
![Center Top Block](image8)

Center Top Block
- Row 1: 8 ½’ square (Fabric A) > Fabric C/A lg.
  goose > 8 ½’ square (Fabric A)
- Row 2: Fabric C/A lg. goose > Fabric C/A lg.
  goose
- Sew row one above row two. (see diagram 8)
  (Make one)

ASSEMBLING THE TOP
Sew all rights sides together with ¼" seam allowance. Press open.

Row 1
- Sew Block A > Center Top Block > Block D

Row 2
- Sew Block C > Pattern Block > Block B

Row 3
- Sew Block E > Block F > Block F > Block E

Row 4
- Sew Block A > Pattern Block > Block D

Row 5
- Sew Block G > Block H > Block H > Block I

• Sew Row 1 > 2 > 3 > 4 > 5

Refer to the cover illustration for assembly.
**QUILT ASSEMBLY**

**Sew rights sides together:**

- Take 5 yds of the suggested backing fabric and cut in half to obtain two (2) equal 90” long units.
- Sew them right sides together on the longer edge.
- Place BACKING FABRIC on a large surface wrong side up. Stretch it with masking tape against that surface. Make sure the print is in the correct orientation.
- Place BATTING on top of backing fabric.
- Place TOP on top of the batting with right side facing up. Smooth away wrinkles using your hands.
- Pin all layers together and baste with basting thread, using long stitches. You can also use safety pins to join the layers.
- Machine or hand quilt starting at the center and working towards the corners. Remember that quilting motifs are a matter of personal preference. Have fun choosing yours!
- After you finished, trim excess of any fabric or batting, squaring the quilt to proceed to bind it.

**BINDING**

**Sew rights sides together:**

- I suggest doing the Double Fold Binding, which has double thickness.
- Cut enough (8) strips 2 ¼” wide by the width of the fabric H to make a final strip 29½” long. Fold and press the long binding strip in half widthwise (on the shorter side), wrong sides together.
- Start sewing the binding strip in the middle of one of the sides of the quilt, placing the strip right side down and leaving an approximated 5” tail. Sew with ¼” seam allowance (using straight stitch), aligning the strip’s raw edge with the quilt top’s raw edge.
- Stop stitching ¼” before the edge of the quilt (DIAGRAM B1). Clip the threads. Remove the quilt from under the machine presser foot. Fold the strip in a motion of 45° and upward, pressing with your fingers (DIAGRAM B2). Hold this fold with your finger, bring the strip down in line with the next edge, making a horizontal fold that aligns with the top edge of the quilt (DIAGRAM B3). Start sewing at ¼” of the border, stitching all the layers. Do the same in the four corners of the quilt.

**NOTE:** While all possible care has been taken to ensure the accuracy of this pattern, We are not responsible for printing errors or the way in which individual work varies. Please read instructions carefully before starting the construction of this quilt. If desired, wash and iron your fabrics before starting to cut.
