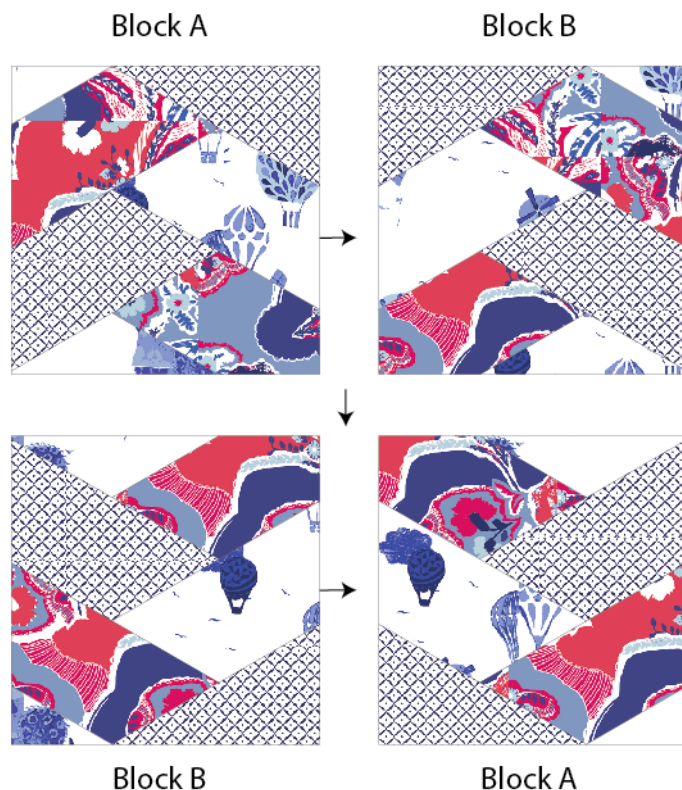

DIAGRAM 10

PILLOW TOP ASSEMBLY

Sew rights sides together.

- Place BACKING FABRIC on a large surface wrong side up. Stretch it with masking tape against that surface.
- Place BATTING on top of backing fabric.
- Place TOP on top of the batting with right side facing up. Smooth away wrinkles using your hands.
- Pin all layers together and baste with basting thread, using long stitches. You can also use safety pins to join the layers.
- Machine or hand quilt starting at the center and working towards the corners. Remember that quilting motifs are a matter of personal preference. Have fun choosing yours!
- After you finished, trim excess of any fabric or batting.

CREATING THE BACK PILLOW

- To make a envelope back for your pillow take both 21" x 15" rectangles from fabric **B** and fold one 15" side on each rectangle in 1/2" and press and then fold another 1/2" and press.
- Top-stitch as close to the Half
- Hexie
- Template edge as possible.
- Place rectangles right side together on top of each other to the front of your pillow and stitch all the way around your pillow at 1/4" seam allowance.
- Clip corners at seam allowance and flip piece to the right side of the fabric.
- Fill pillow with a 20" x 20" pillow form and enjoy!
