BACKING FABRIC
DEN-T-3001 Fabric G ¾ yds. (Included)

BINDING
Chenille Bias 6½ yds. (Suggested)

¼" seam allowances are included.
WOF means width of fabric.

• One (1) 24” x 6” rectangle from fabrics A, B, C, D, E and F.
• Two (2) 36” x 27” rectangles from fabric G.

CONSTRUCTION

Sew all rights sides together with ¼” seam allowance.

• Join the 24” x 6” rectangles from fabrics A, B, C, D, E and F by the 24” side to make a block.
• Layer one (1) 36” x 27” rectangle from fabric G, the batting, one (1) 36” x 27” rectangle from fabric G, and the previous block together.
• Make sure the bottom layer of fabric G is placed with the right side looking down, since this is the backing of your rug.

Reverse Applique

• Quilt your piece. In this case this rug is free hand quilted with the bubble path technique.
• Remove with your scissors the block fabric ¼” away from the stitches.
• Be careful not to cut trough fabric G.
• Trim your piece to 33” x 22”.
• Do a zigzag stitch around the edge.
• Saw the chenille bias around the edge of the rug on the top and the back.
• Wash it to see the chenille bloom.
