## A collection of decorative pillows is displayed on a light-colored wooden surface. The central focus is a large, rectangular patchwork pillow featuring a complex geometric design. It is composed of several triangular and quadrilateral sections in various colors and patterns: dark blue with thin white vertical stripes, bright yellow with thin white horizontal stripes, light green with thin white diagonal stripes, and brown with thin white horizontal stripes. Behind this patchwork pillow, two other pillows are visible. To the left is a light blue pillow with a subtle, repeating geometric pattern. To the right is a light blue pillow with a prominent, concentric square quilted pattern. The background consists of a light-colored wall with vertical wooden panels.
