DON'T FORGET: right sides facing together when attaching fabric

- Repeat the same technique using fabric D 14½ x 6’ and fabric C 10½ x 6’
- Attach fabric F and the two fabric blocks you just created together, as diagram 1 shows.
• Leave the block ready for later.
• Start with Asia block.

• Use Fabric G 6” block to cut Australia and all small islands.
• Once you have all the blocks cut all the continent pieces provided below and tape them together.
• Use steam-a-seam paper or a light weight fusible interfacing to attach all the blocks, this will add stability to the fabric.
• Place the continents on top of the fabric blocks and create your continents!
