¼” seam allowances are included. WOF means width of fabric.

Twenty four (24) 10½” x 10½” squares from fabric A.
Sixteen (16) 10½” x 10½” squares from fabric B.
Twelve (12) 5½” x 5½” squares from fabric C.
Sixteen (16) WOF x 4½” strips from fabric D.
Sixteen (16) WOF x 2” strips from fabric E.
Fourteen (14) 5½” x 5½” squares form fabric F.
One hundred sixty (160) 3¾” x 3¾” squares from fabric G.
Eighteen (18) 5½” x 5½” squares from fabric G.
Forty (40) 13” x 3” rectangles from fabric G.
Forty (40) 10½” x 3” rectangles from fabric G.
Eight (8) 6¼” x 6¼” squares from fabric H.
Eight (8) 5½” x 5½” squares from fabric H.

CONSTRUCTION

Sew all rights sides together with ¼” seam allowance.

• Take sixteen (16) WOF x 4½” strips from fabric D and eight (8) WOF x 2” strips from fabric E.
• Make eight (8) strip sets.
• Subdivide the strip sets into 4½” x 9½” rectangles.

DIAGRAM 1

• Take eight (8) WOF x 2” strips from fabric E, and sub-cut them every 9½” to create 9½” x 2” strips from fabric E.
• Insert the strips between the previous 4½” x 9½” strip sets until you get thirty two (32) squares.

DIAGRAM 2

• Trim all the squares using the template a to get 6¼” x 6¼” squares.
• Follow Diagram 3 for fabric placement and trimming.

DIAGRAM 3

• Take two (2) 3¾” x 3¾” squares from fabric G and place them on the diagonal aligned with the corners.
• Pin them in place, and draw a line from point to point.
• Stitch at ¼” from the drawn line on each side.
• Cut on the drawn line, then open and press.
• Repeat thirty two (32) times.
• Take two (2) 3\(\frac{3}{8}\)" x 3\(\frac{3}{8}\)" squares from fabric G and place them on the diagonal aligned to the fabric E corner.

• Pin them in place, and draw a line on the diagonal of fabric G.

• Stitch at 1/4" from the drawn line on each side.

• Cut on the drawn line, open and press.

• Repeat thirty-two (32) times until you get one hundred twenty-eight (128) flying geese.

• Take eight (8) 6\(\frac{3}{4}\)" x 6\(\frac{3}{4}\)" squares from fabric H, and thirty-two (32) 3\(\frac{3}{8}\)" x 3\(\frac{3}{8}\)" squares from fabric G.

• Repeat the process eight (8) times until you get thirty-two (32) flying geese.

• Make thirty-two (32) of the following flying geese strip sets:

• Take twenty-four (24) 10\(\frac{1}{2}\)" x 10\(\frac{1}{2}\)" squares from fabric A, sixteen (16) 10\(\frac{1}{2}\)" x 10\(\frac{1}{2}\)" squares from fabric B and forty (40) 10\(\frac{1}{2}\)" x 3" rectangles from fabric G.

• Join rectangles from fabric G to each square from fabrics A and B.

• Take forty (40) 13 " x 3" rectangles from fabric G. Join them to the previous block as follows:

• Take eight (8) 5\(\frac{3}{4}\)" x 5\(\frac{3}{4}\)" squares from fabric C and create the following blocks:

• Take four (4) 5\(\frac{3}{4}\)" x 5\(\frac{3}{4}\)" squares from fabric C and create the following blocks:

• Take the 5\(\frac{1}{2}\) " x 5\(\frac{1}{2}\)" squares from fabrics F, G, and H and use them as corner square triangles to make two (2) of each of the following blocks.
TOP ASSEMBLY

¼" seam allowances are included. WOF means width of fabric.

Join the blocks following Diagram 13:

- Row 1: D-A
- Row 2: B-E-F-C
- Row 3: C-F-E-B
- Row 4: A-D

Trim the quilt top following Diagram 14.
**BINDING**

* Sew rights sides together:

- Cut enough strips 1½" wide by the width of the fabric to make a final strip 342" long. Start sewing the binding strip in the middle of one of the sides of the quilt, placing the strip right side down and leaving an approximated 5" tail. Sew with ¼" seam allowance (using straight stitch), aligning the strip’s raw edge with the quilt top’s raw edge.

- Stop stitching ¼" before the edge of the quilt [DIAGRAM B1]. Clip the threads. Remove the quilt from under the machine presser foot. Fold the strip in a motion of 45° and upward, pressing with your fingers [DIAGRAM B2]. Hold this fold with your finger, bring the strip down in line with the next edge, making a horizontal fold that aligns with the top edge of the quilt [DIAGRAM B3]. Start sewing at ¼" of the border, stitching all the layers. Do the same in the four corners of the quilt.

- Stop stitching before you reach the last 5 or 6 inches. Cut the threads and remove the quilt from under the machine presser foot. Lay the loose ends of the binding flat along the quilt edge, folding the ends back on themselves where they meet. Press them together to form a crease. Using this crease as the stitching line, sew the two open ends of the binding with right sides together (you can help yourself marking with a pencil if the crease is difficult to see).

- Trim seam to ¼" and press open. Complete the sewing. Turn binding to back of the quilt, turn raw edge inside and stitch by hand using blind stitch.

**NOTE:** While all possible care has been taken to ensure the accuracy of this pattern, we are not responsible for printing errors or the way in which individual work varies.

Please read instructions carefully before starting the construction of this quilt. If desired, wash and iron your fabrics before starting to cut.
