**ASSEMBLING THE TOP**

½" seam allowances are included. WOF means width of fabric.

Now, take all of your pieces and assemble them as diagram below.
• Now, take your BACKING fabric and place it with the main piece, wrong sides facing.

• Sew all around, leaving 34” of opening on the bottom or top side of your duvet.

• Take your 2” x 34” strip from Fabric A and fold it in half and sew it on the edge of the top part of the opening of your duvet, this will be where your buttons will be placed.

• Repeat the same process for your Backing side, by taking your 2” x 34” strip from Fabric C

• Measure every 5” or so and place a mark on where your will make your button holes.

• Flip your duvet inside out and sew your buttons facing inside so they are invisible

• To secure your duvet, top stitch all around at a ¼”

• You are finally done! Enjoy your new Duvet Cover!
