CONSTRUCTION

FOR THIS TABLE RUNNER, WE WILL BE BUILDING TWO BLOCKS X AND Y.

BLOCK X:

- Grab two stripes of 1 ¾” from fabric A, one (1) stripe of 1¼” from fabric B and one (1) stripe of 1¾” from fabric C. Arrange fabrics and sew them together as shown on graphic below. (Repeat this step two more times)

- After sewing you will end up with a piece of five (5) inches long by W. See Diagram 2.

- Now use a 3.5” perfect square and rotate it at 45 degree angle and use it as template to cut 20 pieces for block 1 on point, as shown in diagram below.

FINISHED SIZE 66” x 21”

BINDING FABRIC
CAP-CR-1202 (Fabric C) (included)

BACKING FABRIC
CAP-CR-1203 (suggested) 5 ½ yd.

QUICK MEASUREMENTS

WOF means width of fabric.

¼” seam allowances are included.

CUTTING DIRECTIONS

Fabric A
- Ten (10) 1¾” x WOF stripes.
- Four (4) 2” x WOF stripes.

Fabric B
- Nine (9) 1¾” x WOF stripes.
- Four (4) 2” x WOF stripes.

Fabric C
- Three (3) 1¾” x WOF stripes.
- Four (4) 2” x WOF stripes.

Fabric D
- Three (3) 1¼” x WOF stripes.

Fabric E
- Four (4) 2” x WOF stripes

Fabric F
- Four (4) 2” x WOF stripes
• Now we can arrange the squares to build block X. Following diagram below for square arrangement.

Row 2

Sew

- Let’s start with block Y. We will be repeating the steps for Block X, but using different fabrics. See diagram 5 for fabric arrangements.

![Diagram 5](image)

- After sewing you will end up with a piece of five (5) inches long by WOF. See Diagram 6.

![Diagram 6](image)

- Now use a 3.5” perfect square and rotate it at 45 degree angle and use it as template to cut 24 pieces for block Y on point, as shown in diagram below.

![Diagram 7](image)

**Note:** You will fit 8 squares per WOF
• Now we can arrange the squares to build block Y. Following diagram below for square arrangement.

- Grab two two (2) stripes of Two (2) inches from Fabric B, C, F, E and sew them together as shown on diagram 9.
• You will end up with stripes of aprox eighty two (82) inches.

• Sew stripes together as showing on diagram below and repeat this step one more time.

• After sewing stripes together We will have two pieces of aprox 82’ x 6.5”

![Diagram showing combined stripes](artgalleryfabrics.com)

• Now Trim the two (2) pieces at 66” wide.

ASSEMBLING THE TOP

• Arrange the blocks alternating Y and X as described on diagram below and sew them.

• Arrange sewn stripes, positioning Fabric E towards the blocks.

**QUILT ASSEMBLY**

*Sew rights sides together.*

- Place BACKING FABRIC on a large surface wrong side up. Stretch it with masking tape against that surface.
- Place BATTLING on top of backing fabric.
- Place TOP on top of the batting with right side facing up. Smooth away wrinkles using your hands.
- Pin all layers together and baste with basting thread, using long stitches. You can also use safety pins to join the layers.
- Machine or hand quilt starting at the center and working towards the corners. Remember that quilting motifs are a matter of personal preference. Have fun choosing yours!
- After you finished, trim excess of any fabric or batting, squaring the quilt to proceed to bind it.

**BINDING**

*Sew rights sides together.*

- Cut enough strips 1 ½” wide by the width of fabric C to make a final strip 1 long. Start sewing the binding strip in the middle of one of the sides of the quilt, placing the strip right side down and leaving an approximated 5” tail. Sew with ¼” seam allowance (using straight stitch), aligning the strip’s raw edge with the quilt top’s raw edge.
- Stop stitching ¼” before the edge of the quilt (DIAGRAM B1). Clip the threads. Remove the quilt from under the machine presser foot. Fold the strip in a motion of 45° and upward, pressing with your fingers (DIAGRAM B2). Hold this fold with your finger, bring the strip down in line with the next edge, making a horizontal fold that aligns with the top edge of the quilt (DIAGRAM B3). Start sewing at ¼” of the border, stitching all the layers. Do the same in the four corners of the quilt.
- Stop stitching before you reach the last 5 or 6 inches. Cut the threads and remove the quilt from under the machine presser foot. Lay the loose ends of the binding flat along the quilt edge, folding the ends back on themselves where they meet. Press them together to form a crease. Using this crease as the stitching line, sew the two open ends of the binding with right sides together (you can help yourself marking with a pencil if the crease is difficult to see).
- Trim seam to ¼” and press open. Complete the sewing. Turn binding to back of the quilt, turn raw edge inside and stitch by hand using blind stitch.

NOTE: While all possible care has been taken to ensure the accuracy of this pattern, We are not responsible for printing errors or the way in which individual work varies.
Please read instructions carefully before starting the construction of this quilt. If desired, wash and iron your fabrics before starting to cut.
