**QUILT ASSEMBLY**

*Sew rights sides together.*

- Place BACKING FABRIC on a large surface wrong side up. Stretch it with masking tape against that surface.
- Place BATTING on top of backing fabric.
- Place TOP on top of the batting with right side facing up. Smooth away wrinkles using your hands.
- Pin all layers together and baste with basting thread, using long stitches. You can also use safety pins to join the layers.
- Machine or hand quilt starting at the center and working towards the corners. Remember that quilting motifs are a matter of personal preference. Have fun choosing yours!
- After you finished, trim excess of any fabric or batting, squaring the quilt to proceed to bind it.

**BACK PILLOW**

*Sew rights sides together.*

- Take two (2) 17” x 9” rectangles from fabric D.
- Finish one 17” edge on each rectangle by folding the edge ¼” twice and then edge-stitching.
- Pin both rectangles to the right side of the pillow top in a way that they overlap in the center of the pillow.
- Stitch all around at ¼”.
