BACKING FABRIC
FUS-RF-1509      ⅝ yd. (Suggested)

CONSTRUCTION

Sew all rights sides together with ¼” seam allowance.

- Take a 5 1/4” × 5 1/4” square from Fabric B and four (4) 7/8” × 2 7/8” squares from Fabric C. These are the pieces you will need to create four flying geese units.

- Draw diagonal lines using a pencil or a water soluble pen on the wrong side of the fabric on each 2 7/8” × 2 7/8” square from Fabric C.

- Place two (2) 2 7/8” × 2 7/8” squares at each corner of your 5 1/4” × 5 1/4” square from Fabric B. Make sure right sides are together and the diagonal lines match up to make a straight line. (Diagram 2.1)

- Sew 1/4” from the diagonal line on each side of the line. Cut piece on the diagonal line you marked. You will now have two pieces that look like Diagram 2.3.
• Press seams toward Fabric C (Diagram 3.1) Now place a 2 7/8" x 2 7/8" rectangle from Fabric C at the lower corner of your piece. Follow Diagram 3.2. Sew on each side of the diagonal line you marked at 1/4".

• Cut piece on diagonal line. You will now have two pieces that look like Diagram 3.3.

• Repeat steps in Diagram 3.1-3.3 for the other piece created in Diagram 2.3.

• Sew your 1 1/2" x 4 1/2" strips from Fabrics E and A together to get 19 strip units.

• Repeat this same process sewing your 1 1/2" x 4 1/2" strips from Fabric D and A together to get another 19 units. (Diagram 5)

• You will now have four flying geese using the no waste method!

• Repeat this flying geese no waste method with the remaining fabric pieces.

ASSEMBLING THE TOP

• Sew your rows together following Diagram 6. Sew your rows together cut out a 17" x 25" following Diagram 7.

• Use your quilt top as a template to cut your backing and sew right sides together leaving a small unsewn portions and flip right side out.
• Feel free to add some medium weight fusible to the backing fabric to add a bit more stiffness to your rug!
• To close up unsewn portion tuck under raw edges and top stitch around your entire piece.
