<td>2 ½ yd.</td>
</tr>
<tr>
<td>B</td>
<td>FUS-T-1408</td>
<td>1 ¼ yd.</td>
</tr>
<tr>
<td>C</td>
<td></td>
<td>1 ¼ yd.</td>
</tr>
</tbody>
</table>

**Cutting Directions**

¼" seam allowances are included.

- Thirty two (32) 2.5" x WOF stripes of fabrics A.
- Sixteen (16) 2.5" x WOF stripes of fabrics B.
- Sixteen (16) 2.5" x WOF stripes of fabrics C

**Construction**

Sew all rights sides together with ¼" seam allowance.

The skirt was made out of 2 different blocks, eight (8) blocks in total, for the front part of the skirt we will need two (2) block 1 and two (2) Block 2, the we will need the same for the back part of the skirt.

**Block 1**

- Take 2.5" stripes from fabric A B C.
- Sew the stripes in the order shown in diagram 1.
- You will sew eight (8) sections exactly the same.

- Once you have all the 8 sections sewn together, grab one section, and cut 2.5" stripes at a 45° degree angle (Counter clock wise).
- Repeat the same step 3 more times.
- You will get approximately Seven (7) stripes cut per section.
- Since you will cut four (4) of the sections the same way You will end up with 28 stripes.
- We will call this new stripes, Stripe set 1
- Set aside the other four (4) sections sewn. we will be using them later for **Block 2**.

**Diagram 1**

**Diagram 2**

**Diagram 3**
Now grab seven (7) stripe set 1 and sew them together as shown in Diagram 4.

Once you have all seven (7) Stripes sewn; trim excess to get a 15” x 14” rectangle which we will name Block 1. See diagram below.

Repeat the same step 3 more times. You will end up with Four (4) Block 1 in total.

Block 2

Take the four (4) sections you sewn previously

Repeat the same step you did for Block 1 but, this time we will cut the stripes Clockwise.

Cut Seven (7) 2.5” stripes at 45º angle clockwise. See diagram below.

We will get Approximately seven stripes per section.

The stripes will be Stripe set 2
• Now Grab seven (7) stripe set 1 and sew them together as shown in Diagram 9.

- Once you have all seven (7) Stripes sewn, trim excess to get a 15” x 14” rectangle which we will name Block 2. See diagram below.

- Repeat the same step 3 more times. You will end up with Four (4) Block 2 in total.

Panel for Front Skirt

• Now that we have block 1 and 2 sewn, we will build the front panel for the front skirt. We will need two (2) Block 1 and two (2) Block 2.

- Row 1: Sew Block 1 with Block 2
- Row 2: Sew Block 2 with Block 1

**Diagram 12**

- Sew Row 1 with Row 2

- Front Panel for Front Skirt.
Panels for Back Skirt

* For the left back Skirt panel we will need to sew block 2 with 1
* For the right back Skirt panel we will need to sew block 1 with 2. See diagram below.

Now that you have all your panels ready, we can start cutting the skirt. (For pattern refer to the look-book).

Cut the front skirt with the pattern open, if you want to add a little bit of width to the hem you can. There will be a little bit of room for you to modify.

If you added a little bit of width to the front skirt, do it to the back as well.
- Sew Right Skirt Back with Left Skirt back leaving 9" to 10" opening to the top for zipper.
- Sew Skirt together By the sides.
NOTE: While all possible care has been taken to ensure the accuracy of this pattern. We are not responsible for printing errors or the way in which individual work varies. Please read instructions carefully before starting the construction of this quilt. If desired, wash and iron your fabrics before starting to cut.
