This Wall Art is made out of Flying Geese and HST (Half Square Triangles)

We will have ten (10) different combinations. (See diagram below) notice that the numbers right next to each F.G means how many you have to make

HST Construction

Place the two squares right side together and mark a diagonal line on the wrong side of each square

Sew a 1/4 on both sides of the marked diagonal line

Using a rotary blade cut the square into two triangles

Diagram 3

Flying Geese Construction:
- Take a rectangle from B and two (2) squares of 3½ x 3½ from fabric A (Repeat the same step until you get all combinations showed on diagram 3.)
Once we have all our HST (Half Square Triangles) and Flying geese combinations ready, we will be building our Magnolia Wall Art by rows.

Start by sewing the Stripe of 12½ X 3½ from Fabric I with Flying geese combination from Fabric B and I with Stripe of 24 ½ X 3½, then sew Stripe of 12½ X 3½ from Fabric I with Flying geese Combination from Fabric C and I with Stripe of 24 ½ X 3½. Then set aside and start building the Wall Art.

Follow Diagram below for row arrangement. Notice that the fourth column are Flying Geese, and starting the fifth column you will arrange HST again.
Now sew Rows following diagram below.

Attached the 42½ x 3½ stripes on each side of the block (See Diagram below for reference)

Sew the flying geese stripe we sew that we set aside at the beginning and sew one at the bottom and one at the top. See Diagram below.
- Quilt as desired and sew a 42½ x 48½ fabric all around it, leaving a 3" to 4" opening, in order for you to turn it inside out.
- Take some left over fabric and cut three (3) small rectangles of 6" x 7", folded in half and sew at ¼ inch, turn it inside out, folded again, and insert them in between the top and the backing, as shows on diagram below.

Sew around it with top and Backing right side together
Leaving a 3" to 4" opening to turn the wall art inside out.
