**BACKING FABRIC**

SKS-94301 - 2yds. *(suggested)*

**BINDING FABRIC**

Fabric F SKS-84309 *(included)*

---

**CUTTING DIRECTIONS**

¼” seam allowances are included. WOF means width of fabric.

- Thirty four (34) 7¼” x 7¼” squares from Fabric A
- Eleven (11) 7¼” x 7¼” squares from Fabric B, D, E, F
- Ten (10) 7¼” x 7¼” squares from Fabric C

**BLOCK CONSTRUCTION**

Sew all rights sides together with ¼” seam allowance.

- Place Fabric B and D squares right sides together.
- Mark a line, corner to corner, on the wrong side of the fabric.
- Sew ¼” away from the drawn line on each side.
- Use a rotary cutter and ruler to cut on the drawn line.
- Press seams toward the darker fabric.

- Take Fabric A, 7 ¼” x 7 ¼” square, making sure to check your fabric direction before sewing (in this case, rotate your piece clockwise) and place it right sides together to one of your HST’s
- Mark a line, corner to corner, on the wrong side of the fabric.
- Sew ¼” away from the drawn line on each side.
- Use a rotary cutter and ruler to cut on the drawn line.
- Press seams toward the darker fabric.

**DIAGRAM 1**

- Repeat the same instruction for the other HST units as in the diagram below.

**DIAGRAM 2**

- You will have (2) quarter square triangle left overs. Set them aside
- Take Fabrics B, C and D 7¼” squares and repeat the same quarter square triangle instruction

**DIAGRAM 3**

- Pair Fabric E-F and A following the same quarter square triangle method.

**DIAGRAM 4**

- Follow diagram below for each block assembly.
- Then, pair each row in order to complete your table runner.

Row 11
**QUILT ASSEMBLY**

* Sew rights sides together:

- Place BACKING FABRIC on a large surface wrong side up. Stretch it with masking tape against that surface.
- Place BATTING on top of backing fabric.
- Place TOP on top of the batting with right side facing up. Smooth away wrinkles using your hands.
- Pin all layers together and baste with basting thread, using long stitches. You can also use safety pins to join the layers.
- Machine or hand quilt starting at the center and working towards the corners. Remember that quilting motifs are a matter of personal preference. Have fun choosing yours!
- After you finish, trim excess of any fabric or batting, squaring the quilt to proceed to bind it.

**BINDING**

* Sew rights sides together:

- Cut seven strips $1\frac{1}{2}$" wide by the width of the fabric F to make a final strip 190" long. Start sewing the binding strip in the middle of one of the sides of the quilt, placing the strip right side down and leaving an approximated 5" tail. Sew with ¼" seam allowance (using straight stitch), aligning the strip's raw edge with the quilt top's raw edge.
- Stop stitching ¼" before the edge of the quilt (Diagram B1). Clip the threads. Remove the quilt from under the machine presser foot. Fold the strip in a motion of 45° and upward, pressing with your fingers (Diagram B2). Hold this fold with your finger, bring the strip down in line with the next edge, making a horizontal fold that aligns with the top edge of the quilt (Diagram B3). Start sewing at ¼" of the border, stitching all the layers. Do the same in the four corners of the quilt.
- Stop stitching before you reach the last 5 or 6 inches. Cut the threads and remove the quilt from under the machine presser foot. Lay the loose ends of the binding flat along the quilt edge, folding the ends back on themselves where they meet. Press them together to form a crease. Using this crease as the stitching line, sew the two open ends of the binding with right sides together (you can help yourself marking with a pencil if the crease is difficult to see).
- Trim seam to ¼" and press open. Complete the sewing. Turn binding to back of the quilt, turn raw edge inside and stitch by hand using blind stitch.

**NOTE:** While all possible care has been taken to ensure the accuracy of this pattern, We are not responsible for printing errors or the way in which individual work varies. Please read instructions carefully before starting the construction of this quilt. If desired, wash and iron your fabrics before starting to cut.
