CUTTING DIRECTIONS

¼" seam allowances are included. WOF means width of fabric.

Fabric A:
- Cut Five (5) WOF x 2½
- Sub cut Seventy Six (76) 2 ½” x 2½” Squares.
- Cut Five (5) WOF x 2 7/₈
- Cut Seventy two (72) 2 7/₈” x 2 7/₈” Squares.

CONSTRUCTION

Sew all rights sides together with ¼" seam allowance.

This Table Runner is made out of two Blocks which we will call Block X and Block Y
Each Block is made out HST (Half Square Triangles) and squares.

Half Square Triangle Method

Place the One(1)
2³⁷/₈ x 2³⁷/₈ squares from Fabric A and B right side together and mark a diagonal line on the wrong side of each square

Sew a 1/4 on both sides of the marked diagonal line

Using a rotary blade cut the square into two triangles
Block X:
- Follow diagram below for squares and HST arrangement (Repeat this step one more time)

**BINDING**

*Sew rights sides together:*

- Cut enough strips 1½" wide by the width of the fabric C to make a final strip 18½" long. Start sewing the binding strip in the middle of one of the sides of the quilt, placing the strip right side down and leaving an approximated 5" tail. Sew with ¼" seam allowance (using straight stitch), aligning the strip’s raw edge with the quilt top’s raw edge.

- Stop stitching ¼" before the edge of the quilt (DIAGRAM B1). Clip the threads. Remove the quilt from under the machine presser foot. Fold the strip in a motion of 45° and upward, pressing with your fingers (DIAGRAM B2). Hold this fold with your finger, bring the strip down in line with the next edge, making a horizontal fold that aligns with the top edge of the quilt (DIAGRAM B3). Start sewing at ¼" of the border, stitching all the layers. Do the same in the four corners of the quilt.

- Stop stitching before you reach the last 5 or 6 inches. Cut the threads and remove the quilt from under the machine presser foot. Lay the loose ends of the binding flat along the quilt edge, folding the ends back on themselves where they meet. Press them together to form a crease. Using this crease as the stitching line, sew the two open ends of the binding with right sides together (you can help yourself marking with a pencil if the crease is difficult to see).

- Trim seam to ¼" and press open. Complete the sewing. Turn binding to back of the quilt, turn raw edge inside and stitch by hand using blind stitch.
