CUTTING DIRECTIONS

⅛" seam allowances are included. WOF means width of fabric.

CONSTRUCTION

Sew all rights sides together with ⅛" seam allowance.

- To accomplish the HST construction take the 3⅛" squares from fabrics A, B, C, D, E, F, G, H, J and K.

- Join all the strips into strip sets.

- It is very important to not align the strips when joining them, but to off set them 1" to create a stairway effect:

- One (1) long strip set 1 and 2: A - B - C - D - E - D - C - B - A
- One (1) short strip set 1 and 2: A - B - C - D - E - D - C - B - A
- One (1) long strip set 3 and 4: F - G - H - I - J - I - H - G - F
- One (1) long strip set 5 and 6: K - L - M - N - O - N - M - L - K
- One (1) short strip set 5 and 6: K - L - M - N - O - N - M - L - K
- One (1) long strip set 7 and 8: P - Q - R - S - T - S - R - Q - P
- One (1) short strip set 7 and 8: P - Q - R - S - T - S - R - Q - P

- Strip sets 1, 3, 5, and 7 are joined in the opposite direction of strip sets 2, 4, 6, and 8.

- Two (2) WOF x 1½" strips from fabrics E, J, O, and T.
- Two (2) 21" x 1½" strips from fabrics E, J, O, and T.
• Take your ruler and make 45 degree and cut 1½” strips:

• As a result you will need eighteen (18) of each of the following:

• Join ss1 to ss3, ss2 to ss4, ss7 to ss5, and ss8 to ss6.

• Pair them the resulting strips with the opposite color making sure the center seam creates a V:

• Join the resulting strip sets into two (2) Block 1 and Block 2:

• Note that Block 1 is the mirror image of Block 2
• Once you join them cut a rectangle following the image:

• Lay them out and get ready to quilt!!

**QUILT ASSEMBLY**

*Sew rights sides together.*

- Place BACKING FABRIC on a large surface wrong side up. Stretch it with masking tape against that surface.
- Place BATTING on top of backing fabric.
- Place TOP on top of the batting with right side facing up. Smooth away wrinkles using your hands.
- Pin all layers together and baste with basting thread, using long stitches. You can also use safety pins to join the layers.
- Machine or hand quilt starting at the center and working towards the corners. Remember that quilting motifs are a matter of personal preference. Have fun choosing yours!
- After you finished, trim excess of any fabric or batting, squaring the quilt to proceed to bind it.

**BINDING**

*Sew rights sides together.*

- Cut enough strips 1½" wide by the width of the fabric to make a final strip 266" long. Start sewing the binding strip in the middle of one of the sides of the quilt, placing the strip right side down and leaving an approximate 5" tail. Sew with ¼" seam allowance (using straight stitch), aligning the strip's raw edge with the quilt top's raw edge.
- Stop stitching ¼" before the edge of the quilt (DIAGRAM B1). Clip the threads. Remove the quilt from under the machine presser foot. Fold the strip in a motion of 45° and upward, pressing with your fingers (DIAGRAM B2). Hold this fold with your finger, bring the strip down in line with the next edge, making a horizontal fold that aligns with the top edge of the quilt (DIAGRAM B3). Start sewing at ¼" of the border, stitching all the layers. Do the same in the four corners of the quilt.
