BACKING FABRIC
DSE-702 5 yds. (Suggested)

CONSTRUCTION

Sew all rights sides together with ¼” seam allowance.

- Pair two (2) strips from fabric U with each WOF x 7¼” strips and join them following Diagram 1.
- Use the template to sub-cut the triangles. Make sure to align one side of each triangle with the edge from fabric U.
- You should get eight (8) templates from each strip set.

CUTTING DIRECTIONS

¼” seam allowances are included. WOF means width of fabric.

- One (1) WOF x 7¼” strip from fabrics D, G, M and N.
- Two (2) WOF x 7¼” strips from fabrics A, B, E, H, I, J, K, O, P, Q, R, S and T.

- Follow Diagram 2 to see how many templates you need from each fabric:

TOP ASSEMBLY

Sew all rights sides together with ¼” seam allowance.

- Join the rows into the quilt top following Diagram 4.
- Trim the quilt top to a 75½” x 75½ square following Diagram 5.
**BINDING**

*Sew rights sides together.*

- Cut enough strips 1½” wide by the width of the fabric to make a final strip 310” long. Start sewing the binding strip in the middle of one of the sides of the quilt, placing the strip right side down and leaving an approximated 5” tail. Sew with ¼” seam allowance (using straight stitch), aligning the strip’s raw edge with the quilt top’s raw edge.

- **Diagram B1** Stop stitching before you reach the last 5 or 6 inches. Cut the threads and remove the quilt from under the machine presser foot. Lay the loose ends of the binding flat along the quilt edge, folding the ends back on themselves where they meet. Press them together to form a crease. Using this crease as the stitching line, sew the two open ends of the binding with right sides together (you can help yourself marking with a pencil if the crease is difficult to see).

- Trim seam to ¼” and press open. Complete the sewing. Turn binding to back of the quilt, turn raw edge inside and stitch by hand using blind stitch.
