CUTTING DIRECTIONS

¼” seam allowances are included.

One (1) 4” square from Fabric A
Eight (8) 2 ¼” squares from Fabric B and G
Four (4) 2 ¼” x 4” strip from Fabric C
Four (4) 2 ¼” squares from Fabric C
Four (4) 4” squares from Fabric D
Twelve (12) 2 ¼” squares from Fabric F
Four (4) 4” squares from Fabric E

CONSTRUCTION

Sew all rights sides together with ¼” seam allowance.

• To construct our flying geese we will be using the corner square triangle method. Take all your 2 ¼” squares from Fabric B with the orientation of the print going in the same direction.

• Draw a diagonal line from corner to corner with a fabric marking pen and straight edge with half of your lines going to the right and the other half going to the left. So your lines point into the center.

• Place a Fabric B square right sides together to the end of your 2 ¼” x 4” strips from Fabric C and draw on the line you drew.

• Trim seam allowance to ¼” and press open. Repeat this same process with your remaining 2 ¼” squares. You now should have four flying geese using the corner square triangle method.

One (1) 4” square from Fabric A
Eight (8) 2 1/4” squares from Fabric B and G
Four (4) 2 1/4” x 4” strip from Fabric C
Four (4) 2 1/4” squares from Fabric C
Four (4) 4” squares from Fabric D
Twelve (12) 2 1/4” squares from Fabric F
Four (4) 4” squares from Fabric E

• To sew up the center of our block rearrange your flying geese with the points of your geese facing into the center of your block.

• Place your 2 ¼” squares from Fabric C in each corner. Place your fussy cut 4” owl into the center and sew into a block to create your center unit.

DIAGRAM 1
To create the outer section of your block create four units sewing a 2 ¼” square from Fabric F and G together, sew this unit to the top and bottom of a 4” square from Fabric D.

Find the center of your 4” squares from Fabric E and your outer pieces and line up crease marks and sew at ¼”.

Sew your other pieces to each side of your center block.

To create your top and bottom pieces. Sew two 2 ¼” squares from Fabric F to a 2 ¼” square from Fabric G. Make four of these units. Sew each of these units to either side of a 4” square from Fabric D.
• Take your remaining 4” squares from Fabric E and find the center of each block and the center of your top and bottom pieces. Line up crease marks and sew at ¼”.

• Sew your top and bottom pieces to your center block.

• Trim your block to 13 ½” leaving ¼” seam allowance around your entire block.

NOTE: While all possible care has been taken to ensure the accuracy of this pattern, we are not responsible for printing errors or the way in which individual work varies. Please read instructions carefully before starting the construction of this quilt. If desired, wash and iron your fabrics before starting to cut.
