CUTTING DIRECTIONS

¼" seam allowances are included.
WOF means width of fabric.

- One (1) 12" x 15" rectangle from fabrics A and B.
- One (1) 3" x 15" rectangle from fabric C.

CONSTRUCTION

Sew all rights sides together with ¼" seam allowance.

- Take one (1) 12" x 15" rectangle from fabrics A and B and one (1) 3" x 15" rectangle from fabric C.
- Draw uneven lines and cut making sure the 15" borders are on the sides.

* Join the uneven strips from fabrics A, B, and C randomly until your piece measures at least 14" x 14".

* Sub-cut your pieces into nine (9) 4½" x 4½" squares:
• Rearrange the resulting squares to make a good composition.

• Make sure to follow the diagram when placing the direction of the stripes:

DIAGRAM 4

**QUILT ASSEMBLY**

Sew rights sides together:

• Place BACKING FABRIC on a large surface wrong side up. Stretch it with masking tape against that surface.

• Place BATTING on top of backing fabric.

• Place TOP on top of the batting with right side facing up. Smooth away wrinkles using your hands.

• Pin all layers together and baste with basting thread, using long stitches. You can also use safety pins to join the layers.

• Machine or hand quilt starting at the center and working towards the corners. Remember that quilting motifs are a matter of personal preference. Have fun choosing yours!

• After you finished, trim excess of any fabric or batting, squaring the quilt to proceed to bind it.
