

A top-down view of a square quilt block with a complex geometric pattern. The design features a central white square surrounded by four triangles in blue, green, yellow, and orange, which are further divided into smaller triangles and diamonds. The quilt block is laid out on a dark wooden surface. Surrounding the quilt are various sewing tools: a spool of yellow thread and a green needle in the top left; a pair of gold-handled scissors in the bottom right; and a spool of white thread, a yellow needle, and a red pin in the bottom center.

CREME DE LA CREME

FINISHED SIZE | 12.5" x 12.5"

FABRIC REQUIREMENTS

Block 1:

Fabric **A** ICE-205
 Fabric **B** ICE-208
 Fabric **C** ICE-204
 Fabric **D** ICE-200
 Fabric **E** ICE-201
 Fabric **F** ICE-206
 Fabric **G** PE-436

Block 2:

Fabric **A** DSE-704
 Fabric **B** DSE-708
 Fabric **C** DSE-707
 Fabric **D** DSE-706
 Fabric **E** DSE-705
 Fabric **F** DSE-709
 Fabric **G** PE-436

CUTTING DIRECTIONS

1/4" seam allowances are included.

Two (2) 1 1/2" squares from Fabric **A**

Fourteen (14) 1 1/2" x 2 1/2" strips from Fabric **B** and **C**

Two (2) 2" x 2 1/2" strips from Fabric **B** and **C**

Two (2) 1 1/2" x 9 1/2" strips from Fabric **D** and **E**

Two (2) 1 1/2" x 8 1/2" strips from Fabric **D** and **E**

One (1) 4 3/4" square from Fabric **F** and **G** (HST's)

Eight (8) 3" squares from Fabric **G**

Fifty Eight (58) 1 1/2" squares from Fabric **G**

CONSTRUCTION

Sew all rights sides together with 1/4" seam allowance.

- Arrange two 1 1/2" squares from Fabric A and G into a four patch block. Press your seams in alternating directions so your seams will nest into place.

DIAGRAM 1

- To make our flying geese we are using the corner square triangle method. Draw a line with a fabric marking pen from corner to corner on the wrong side of the fabric on all your 1 1/2" squares from Fabric G.
- Place out all your 1 1/2" x 2 1/2" strips from Fabric B and C and place one of your marked squares on each corner of your strip with the diagonal line facing towards the center of your strip.
- Bring all these pieces over to your machine and sew on the line you drew, chain piecing all your squares to your strips.
- Trim your seam allowances to 1/4" and press your pieces open.

DIAGRAM 2

- Now we can repeat the same method on the other side of our strips. You should now have 14 B and fourteen C flying geese units.
- Sew two flying geese units consisting of six Fabric C units and sew a 2" x 2 ½" strip to the ends of your units like this.

DIAGRAM 3

- Next, take your 1 ½" x 8 ½" strips from Fabric E and D and sew on either side of your flying geese units like this. (Diagram 4)

DIAGRAM 4

- Sew two flying geese units consisting of 7 Fabric B units and sew a 2 x 2 ½" strip from Fabric B to each end.
- Take these two units and sew to either side of your four patch block.

DIAGRAM 5

- Next take your 1 ½" x 9 ½" strips from Fabric D and E and sew to each end of your remaining Fabric C flying geese as follows and sew these strip units to your center flying geese unit matching up seams.

DIAGRAM 6

- We will make our HST's using the four at a time method. Take your 4 $\frac{3}{4}$ " squares from Fabric F and G and place right sides together. Sew around your entire piece at $\frac{1}{4}$ " .
- Cut your pieces on both diagonals to reveal four F/G Hst's.
- Trim your HST's to 3" .

DIAGRAM 7

- Now sew 3" squares__ from Fabric G to your HST's as follows.

DIAGRAM 8

- Sew these units to each side of your Fabric C flying geese units.

DIAGRAM 9

- Now sew your two outer units to the center strip of your block and it's time to square up your block. Trim your block on all sides leaving a 1/4" seam allowance.
