• Take two (2) 12½" x 1½" rectangles from fabric E and four (4) 3½" x 3½" squares from fabric B.

• Join the rectangles from fabric E to the top and bottom of the block.

• Use the four (4) squares from fabric B and join them as corner square triangles to each corner of the block.

• Place BACKING FABRIC on a large surface wrong side up. Stretch it with masking tape against that surface.

• Place BATTING on top of backing fabric.

• Place TOP on top of the batting with right side facing up. Smooth away wrinkles using your hands.

• Pin all layers together and baste with basting thread, using long stitches. You can also use safety pins to join the layers.

• Machine or hand quilt starting at the center and working towards the corners. Remember that quilting motifs are a matter of personal preference. Have fun choosing yours!

• After you finished, trim excess of any fabric or batting, squaring the quilt to proceed to bind it.
