BACKING FABRIC
BLB-54721 2 ½ yds. (Suggested)

BINDING FABRIC
PE-475 (Fabric K) (Included)

CONSTRUCTION

Sew all rights sides together with ¼” seam allowance.

- For this Wall Art we will be making Half Square Triangles and Half Rectangle Triangles.
- Start by making the HST (Half Square Triangles) In this project we will need nine (9) different HST combinations. See Diagram 1.
**HST CONSTRUCTION**

- Base on Diagram 1, start pairing the fabric accordingly, in this case we used fabrics C-A. Follow Diagram 2 for HST construction.

Place the two 3 ⅞ squares right side together and mark a diagonal line on the wrong side of each square.

Sew a ¼" on each side of the marked diagonal line.

Using a rotary blade cut the square into two triangles. You will end up with two hst. of the same combination.

**DIAGRAM 2**

---

**HALF RECTANGLE TRIANGLE**

- For this project we will need 4 different combinations of Half rectangle triangle.

- We’ve also attached patterns of the Triangles at the end of the instructions.

**DIAGRAM 3**

**HRT CONSTRUCTION**

- For the Half Rectangle Triangle follow Instructions on Diagram below.

Take 7½ x 3 ⅞ Rectangles from fabric I and D. Cut the rectangles in half diagonally to give triangles.

Take one triangle from each fabric and sew Together.

Trim to 3½ x 6½

**DIAGRAM 4**

**DIAGRAM 5**
- For the Wall Art we will be making four different Blocks.
- Let’s start with Block one

**Block 1**

For this Block we will need
- One (1) C-A Half Rectangle Triangle Combination
- One (1) I-D Half Rectangle Triangle Combination
- One (1) B-A (HST)
- One (1) C-B (HST)
- Three (3) C-H (HST)
- One (1) B-A (HST)
- One (1) fabric A 3½ X 3½ Square
- Two (2) fabric A 6½” x3½” Rectangles

(This is how much you will need per Block)

Follow diagram below for Block 1 Construction
You will make 2 identical Blocks 1 and 2 mirrored Blocks 1

**Block 2**

For this Block we will need
- One (1) F-G Half Rectangle Triangle Combination
- One (1) G-D Half Rectangle Triangle Combination
- Four (4) D-G (HST)
- One (1) D-C (HST)
- Two (2) C-A (HST)
- One(1) J-F (HST)
- Three (3) fabric E 3½ X 3½ Square
- One (1) fabric F 3½ X 3½ Square

(This is how many HST and half rectangle Triangle you will need per Block)

Follow diagram below for Block 2 Construction
You will make 2 identical Blocks 2 and two(2) mirrored Blocks 2

Sew the top of Block 2 with the bottom of block 2

Block 1

Block 2
Block 3

For this Block we will need
One (1) C-A Half Rectangle Triangle Combination
One (1) I-D Half Rectangle Triangle Combination
One (1) C-A (HST)
Two (2) C-B (HST)
One (1) B-E (HST)
Three (3) C-H (HST)
One (1) fabric A 3½ X 3½ Square
Two (2) fabric A 6½” x3½” Rectangles
(This is how much you will need per Block)

Follow diagram below for Block 3 Construction
You will make 2 identical Blocks and 2 mirrored Blocks:

Block 4

For this Block we will need
One (1) 4½ X 4½ from Fabric F Square
One (1) 6½ X 6½ from Fabric A Square
One (1) 12⅞ X 12⅞ from Fabric C Square
One (1) 12⅞ X 12⅞ from Fabric G Square

(This is how much you will need per Block)

- Take the two (2) 12⅞ X 12⅞ Squares from fabric C and G
- Draw a diagonal line corner to corner and sew 1/4” on each side of the diagonal line
- Cut through the line drawn and you will end up with 4 CG HST of 12⅞ x 12⅞

Block 3

Top of Block 3

Bottom of Block 1

Sew the top of Block 3 with the bottom of block 3
• Once you have all blocks constructed take block 4 and sew it with block 2. See diagram below for Block direction.
• Repeat the same step with block 3 and 4.

Follow diagram below to sew blocks together:

- Sew the rows together.
- Make this block one more time and two more times mirrored.
**BINDING**

*Sew rights sides together.*

- Cut enough strips 1 ½" wide by the width of the fabric K to make a final strip 202" long. Start sewing the binding strip in the middle of one of the sides of the quilt, placing the strip right side down and leaving an approximated 5" tail. Sew with ¼" seam allowance (using straight stitch), aligning the strip’s raw edge with the quilt top’s raw edge.

- Stop stitching ¼" before the edge of the quilt (DIAGRAM B1). Clip the threads. Remove the quilt from under the machine presser foot. Fold the strip in a motion of 45° and upward, pressing with your fingers (DIAGRAM B2). Hold this fold with your finger, bring the strip down in line with the next edge, making a horizontal fold that aligns with the top edge of the quilt (DIAGRAM B3). Start sewing at ¼" of the border, stitching all the layers. Do the same in the four corners of the quilt.

- Stop stitching before you reach the last 5 or 6 inches. Cut the threads and remove the quilt from under the machine presser foot. Lay the loose ends of the binding flat along the quilt edge, folding the ends back on themselves where they meet. Press them together to form a crease. Using this crease as the stitching line, sew the two open ends of the binding with right sides together (you can help yourself marking with a pencil if the crease is difficult to see).

- Trim seam to ¼" and press open. Complete the sewing. Turn binding to back of the quilt, turn raw edge inside and stitch by hand using blind stitch.
Congratulations & enjoy

NOTE: While all possible care has been taken to ensure the accuracy of this pattern, we are not responsible for printing errors or the way in which individual work varies. Please read instructions carefully before starting the construction of this quilt. If desired, wash and iron your fabrics before starting to cut.
