- Take the 20½” x 20½” Square from fabric I and place the star pattern on top of fabric I and trace it. (See Diagram 2 for reference.)
Place the block sewn at the beginning, facing right side up under the 20½” x 20½” square from fabric I.
Place batting under, pin the three layers it and sew around the star.
Quilt inside the star parallel lines with ¼” or ½” distance in between each line. For this pillow we use ¼” distance in between each line. See Diagram below for reference.

Take scissors and start cutting the first layer (Fabric I) slowly in between the quilted lines. That will reveal parts of the striped block we sew at the beginning.
Trim the edges to a 20½” x 20½”.

PILLOW BACKING

Sew all rights sides together with ¼” seam allowance. Press open.

To make an envelope back for your pillow cut two (2) 20½” x 16” rectangles and fold one 16” side on each rectangle in 1/2” and press and then fold another 1/2” and press.

Top stitch as close to the edge as possible. Place rectangles right side together on top of each other to the front of your pillow and stitch all the way around your pillow at ¼” seam allowance.

Clip corners at seam allowance and flip piece to the right side of the fabric.

Fill pillow with a 20 x 20” pillow form and enjoy!
