**CONSTRUCTION**

Sew all rights sides together with ¼" seam allowance.

* Start by sewing the stripes together in the order ABCDEAFB. Repeat this step one more time.

* Once you have the two blocks sewn, cut a 45 degree angle from the top corner of the block, repeat the same step with the other block, but in the opposite direction (See Diagram below for reference).
• Cut and set the left over aside.

• Sew the two blocks together by the side where you cut the striped block.

• Take the tree template, place it on top the 21 ½ " X 21½" square from fabric G, and trace it.

• Place the striped sewn block facing right side up under the 21 ½ " X 21½" square from fabric G, and batting under it.

• Pin all the edges and sew on the traced part. Quilt as shown on diagram below.

• Start cutting the top layer to reveal the colors of the block.

• Trim all the edges to a 21 ½ " X 21½".
