CUTTING DIRECTIONS

One (1) 4 1/2" squares from Fabric A
Eight (8) 2 7/8" squares from Fabric B
Four (4) 4 1/2" squares from Fabric D
One (1) 5 1/4" square from Fabric C and D
Four (4) 4 1/2" squares from Fabric E

CONSTRUCTION

Sew all rights sides together with ¼" seam allowance.

- Draw diagonal lines on the wrong side of your 2 7/8" squares from Fabric B from corner to corner with a fabric marking pen.
- Take a 5 1/4" x 5 1/4" square from Fabric C and D and eight (8) 2 7/8" x 2 7/8" squares from Fabric B. These are the pieces you will need to create eight flying geese units.
- Place two (2) 2 7/8" x 2 7/8" squares at each corner of your 5 1/4" x 5 1/4" square. Make sure right sides are together and the diagonal lines match up to make a straight line.
- Sew 1/4" from the diagonal line on each side of the line. Cut piece on the diagonal line you marked.

- Press seams toward Fabric B. Now place your 2 7/8" x 2 7/8" rectangle from Fabric B at the lower corner of your pieces. Sew on each side of the diagonal line you marked at 1/4". Cut piece on diagonal line.
• Press your flying geese open and trim to 2 1/2” x 4 1/2”.

• Sew a your flying geese into pairs like this and then sew a 4 1/2” square from Fabric D to the end. Create four of these units with your remaining pieces.

• Sew two of these units to each side of your 4 1/2’ fussy cut square from Fabric A to create the center strip of your block.

• Sew a 4 1/2” square from Fabric E to each side of your remaining flying geese units to create your side rows.
- Sew your side rows to each side of your middle strip.

- Trim your block to 11 1/2" x 11 1/2" making sure to leave 1/4" seam allowance and your Eight Pointed Star block is complete!
