CUTTING DIRECTIONS

One (1) 8 1/2” square from Fabric A
Four (4) 2 1/2” x 4 1/2” strips from Fabric B
Four (4) 2 1/2” squares from Fabric C
One (1) 6 1/2” square from Fabric C and F (HST’s)
Four (4) 4 1/2” squares from Fabric D
Four (4) 2 1/2” squares from Fabric E
Eight (8) 2 1/2” squares from Fabric F

CONSTRUCTION

Sew all rights sides together with ¼” seam allowance. HST stands for Half Square Triangle.

• Draw diagonal lines from corner to corner on the wrong side of your 4 1/2” squares from Fabric D with a fabric marking pen.

• Place two of your squares on opposite corners of your fussy cut 8 1/2” square from Fabric A, right sides together.

• Sew on the line you drew.

• Trim your seam allowance to 1/4” and repeat this same process on the other corners of your square.
To make your flying geese we will be using the corner square triangle method. Draw diagonal lines on your 2 1/2" squares from Fabric F on the wrong side of the fabric.

Place a square on each corner of your 2 1/2" x 4 1/2" strips from Fabric B.

Sew on the line you drew and trim your seam allowance to 1/4".

Press open and repeat this same process on the other corner of your strip.

You will need four flying geese to create this block.

To create your side rows sew two HST’s to a flying geese. Create two of these units and sew them to the sides of your center unit.

To create four HST’s using the eight at a time method take a 6 1/2" square from Fabric F and draw diagonal lines with a fabric marking pen on both diagonals.

Place right sides together to a 6 1/2" square from Fabric C, on each side of the line you drew sew at 1/4".

Cut your piece on both diagonals and then cut your piece vertical and horizontally in half to reveal 8 C/F HST’s.

Trim your HST’s to 2 1/2".

To create your top and bottom rows sew two more units just like we did for our side rows then sew a 2 1/2" square from Fabric C to each end.

Sew your top and bottom rows to the top and bottom of your center block and your Impression Block is complete!
NOTE: While all possible care has been taken to ensure the accuracy of this pattern, we are not responsible for printing errors or the way in which individual work varies. Please read instructions carefully before starting the construction of this quilt. If desired, wash and iron your fabrics before starting to cut.
