BACKING FABRIC
Fabric D (Included)

CUTTING DIRECTIONS

One (1) 6¾" x 4¼" rectangle from fabric A
One (1) 1¾" x 4¼" strip from fabric A
Four (4) 1¾" squares from fabric A
Two (2) 3" x 1¾" strip from fabric A
Three (3) 2½" squares from fabric A
One (1) template a mushroom top from fabric A
Draft one door frame from fabric A based on template c.
One (1) 4¼" x 3" rectangle from fabric B
Two (2) ½" squares from fabric B
One (1) 4¼" x 5" rectangle from fabric B
Seven (7) template b dots from fabric B
Two (2) ½" squares from fabric C
Two (2) 1¾" squares from fabric C.
One (1) template c door from fabric D

CONSTRUCTION

Sew all rights sides together with ¼" seam allowance.

- Make a diagonal cut on all the 2½" squares to end up with two diagonal halves.
- Set aside.
- Start constructing the mushroom top, first Sew the left and right corners.
- For the corners take four 2½" squares halves from fabric A, four 1¾” squares from fabric A and two 3" x 1¾" strip from fabric A
- Create two sets mirrowing each other for the right and left corners.
- Place the pieces, each on three rows as shown in the Diagram below.

![Diagram 1](diagram1.png)

- Attach one 2½" square half to one 1¾" square for each corner.
- Attach one 1¾" square to one 3" x 1¾" strip for each corner.
- Press seams.

![Diagram 2](diagram2.png)

- Attach the three rows together for each corner.
- Press seams open.
- Set aside.

![Diagram 3](diagram3.png)
• Now, construct the mushroom top.
• Take two 2½" squares halves from fabric A, one 1¾" x 4¼" strip from fabric A and template a mushroom top from fabric A
• Place the pieces as shown in the diagram below.

![Diagram 3](Mushroom top)

* Attach the 2½" squares halves on each side of the 1¾" x 4¼" strip.
* Press seams.

![Diagram 4](Mushroom top)

* Attach template a on top.
* Press seams open.

![Diagram 5](Mushroom top)

• Bring the left and right corners and the 6¾" x 4¼" rectangle from fabric A
• Arrange the pieces as shown in the Diagram below.

![Diagram 6](Mushroom top)

• Sew the mushroom top to the 6¾" x 4¼" rectangle top.
• Press seams.

![Diagram 7](Mushroom top)

• Then sew each corner piece on their corresponding side,
• Press seams open.
• Set aside.

![Diagram 8](Mushroom top)

• Now, start constructing the mushroom gills and stem.
• For the gills and stem take four 2½" squares halves from fabric B and C, two 1¾" squares from fabric C, one 4¼" x 3" rectangle from fabric B and one One (1) 4¼" x 5" rectangle from fabric B
• For the gills create two sets mirroring each other one for the right gills and one for the left gills .
• Place the pieces, each on two rows as shown in the Diagram below.

![Diagram 9](Left gills Right gills)

• Attach one 2½" square half to one 1¾" square and one BC HST for each right and left gills.
• Press seams.

![Diagram 10](Left gills Right gills)

• Attach one 2½" square half to the bottom corner of each gills side as shown in the diagram below.
• Press seams open.
• Bring the 4¼” x 3” rectangle from fabric B.
• Sew each gills piece on their corresponding side.
• Press seams open.

• Bring the 4¼” x 5” rectangle for the stem.
• Sew the rectangle on the bottom of the previous sewn piece.
• Press seams.

• Bring the mushroom top and sew it on top of the gills and stem piece.
• Make sure to align it to center before you attach the pieces together.

• Draft the mushroom sides.
• Trim it.

• Use Steam-A-Seam for applique.
• Place the template c door from fabric D on top of the mushroom stem. Iron the door with the Steam-A-Seam.
• Secure it with your stitch of choice.
• Repeat the previous steps for the template b dots from fabric B and door frame draft from fabric A.
• It is recommended to use batting for the front of the Plushie.

• Use the Mushroom plushie to cut the batting piece you would need.

• Place the MUSHROOM PLUSHIE wrong side up, stretch it with masking tape against that surface.

• Place BATTING on top of the mushroom plushie.

• Smooth away wrinkles using your hands.

• Pin all layers together and baste with basting thread, using long stitches. You can also use safety pins to join the layers.

• Machine or hand quilt starting at the center and working towards the corners. Remember that quilting motifs are a matter of personal preference. Have fun choosing yours!

CREATE THE PILLOW BACK

• Use the Mushroom plushie to trace the mushroom silhouette on your backing fabric.

• Place the Mushroom plushie on top of the backing fabric, right sides of fabrics together.

• Sew around at 1/4" from the edge leaving a gap in the bottom.

• Turn the plushie to the right side, use some pillow fill to structure it and handstitch the gap.

Congratulations & enjoy
